Reddit Pro Review Store Hours:

The Age of Extraction Tim Wu, 2025-11-04 Tim Wu explores how today's dominant platforms manipulate attention, extract wealth, and deepen inequality, urging us to recognize their influence and reclaim control to create a balanced economy that works for all. The magic of Tim Wu's *The Age of Extraction* is its simplicity. Wu deftly breaks down one of the greatest challenges of our age—the unaccountable power of tech platforms—into such digestible pieces that the solutions for what to do become dead obvious. Essential reading. Karen Hao, author of *Empire of AI: Dreams and Nightmares* in Sam Altman's *OpenAI: It's Not Just in Your Head*. Your online life is draining your wallet. *The Age of Extraction* is a sharp and eye-opening introduction to how we arrived at platform capitalism, where no good click goes unmonetized. Kirkus Reviews: Our world is dominated by a handful of tech platforms. They provide great conveniences and entertainment but also stand as some of the most effective instruments of wealth extraction ever invented, seizing immense amounts of money, data, and attention from all of us. An economy driven by digital platforms and AI influence offers the potential to enrich us and also threatens to marginalize entire industries, widen the wealth gap, and foster a two-class nation. As technology evolves and our markets adapt, can society cultivate a better life for everyone? Is it possible to balance economic growth and egalitarianism, or are we too far gone? Tim Wu, the preeminent scholar and former White House official who coined the phrase net neutrality, explores the rise of platform power and details the risks and rewards of working within such systems. *The Age of Extraction* tells the story of an Internet that promised widespread wealth and democracy in the 1990s and 2000s, only to create new economic classes and aid the spread of autocracy instead. Wu frames our current moment with lessons from recent history, from generative AI and predictive social data to the antimonopoly and crypto movements, and envisions a future where technological advances can serve the greatest possible good. Concise and hopeful, *The Age of Extraction* offers consequential proposals for taking back control in order to achieve a better economic balance and prosperity for all.

The Railway Times ..., 1883 *Justice of the Peace and Local Government Review*, 1879 **"The" Athenaeum**, 1895 The Nation, 1876 *Athenaeum and Literary Chronicle*, 1895 *Athenaeum* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1895 **Ajax, Rich Internet Applications, and Web Development for**
