Edge of Dawn Lara Adrian, 2013-02-26 NEW YORK TIMES BESTSELLER In this pulse pounding and thrillingly sensual novel Lara Adrian returns to the mesmerizing world of the Midnight Breed following new characters into a dark future where an uneasy peace can unravel into war and a great betrayal can mask an all consuming love Twenty years after the terror of First Dawn when mankind learned that vampires lived secretly among them the threat of violence reigns as the two species struggle to coexist The only group preserving the fragile harmony is the Order an elite cadre of Breed warriors dedicated to protecting humans and vampires alike And in this precarious world of torn loyalties and shattered trust Mira a fiery squad captain finds that every fight bears an intensely personal cost Raised among the Order Mira has always believed in the warrior's code of swift and even lethal justice But the one thing she desires more than the Order's hard won acceptance is Kellan Archer a sexy but troubled Breed fighter In love with him since childhood Mira once broke through his tough exterior during an unexpected night of rapture but the next day he mysteriously disappeared never to return Kellan didn't think he would ever see Mira again or have to confront the truth of why he left After abandoning the Order years ago he now leads a band of human rebels intent on carrying out their own vigilante rule of law Yet a high profile kidnapping assignment brings him face to face with the past he sought to avoid and the striking woman he has tried desperately to forget And as tensions mount and the risk of bloodshed grows Kellan and Mira must take sides between the competing missions that dominate their lives and the electrifying passion that claims their hearts **BONUS** This edition includes an excerpt from Lara Adrian's *Crave the Night* Praise for *Edge of Dawn* With an Adrian novel readers are assured of plenty of dangerous thrills and passionate chills RT Book Reviews The eleventh installment in Adrian's strikingly original *Midnight Breed* series delivers an abundance of nail biting suspenseful chills red hot sexy thrills an intricately built world and realistically complicated and conflicted protagonists whose happily ever after ending proves to be all the sweeter after what they endure to get there Booklist starred review Adrian has always been an impeccable writer but as I started reading this book I was reminded of just how amazing and talented she is She paints a vivid picture for every scene delves deeper into each character until readers know everything about them and writes some of the best action sequences I've encountered in a long time Make no mistake Lara Adrian is one of the premier authors of paranormal romance and with this book she proves it *Edge of Dawn* is a game changer a book that will revolutionize the way readers see the *Midnight Breed* world and stir up some excitement Filled with angst tortured hearts above all selfless love *Edge of Dawn* will break your hearts and mend them back up again Fresh Fiction A spine tingling thrill ride for both old and new fans alike *Edge of Dawn* is one of the few stories that deserve more than a five star rating Night Owl Reviews Well worth waiting for Adrian once again engulfs her readers in a world of Breed loyalty fierce passion and emotional overload The complexity of the plot will leave you stunned to say the least and in my case left wondering what will happen next I guarantee you will be begging for more *Guilty Pleasures* Book Reviews **Libraries in**

the Information Age Denise K. Fourie, Nancy E. Loe, 2016-05-23 The book *Library Media Connection* cited as something all librarians need to have on their shelves is now thoroughly revised for today's 21st century library environment. Covering both technology and library practices, the title has been a go-to text for librarians and library school students since 2002. Since the second edition of this must-have book was published in late 2009, libraries have undergone profound changes primarily linked to advances in technology. We've seen the debut of RDA, the release of new Pew Research library and Internet use data, and the establishment of digital repositories, community MakerSpaces, and community reads programs. Of course, libraries have also been affected by the expanding use of social media. This thoroughly updated title addresses all these changes and more, bringing you up to date on the monumental shifts impacting librarianship. The book is designed to introduce LIS students to the profession, preparing them to enter an exciting and evolving world. It clarifies the changing roles and responsibilities of library professionals, new paradigms for evaluating information, and characteristics and functions of today's library personnel. Among other subjects, chapters cover preparing materials for use, circulation, reference services, ethics in the information age, Internet trends, and job search basics. References, websites, and publications at the end of every chapter point to further resources, and appendices supply information such as policies, the library bill of rights, and the Freedom to Read statement.

Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers' advisory (RA) for adults and teens. The question, "can you recommend a good book?" can be one of the most daunting you face, notwithstanding the fact that recommender tools are ubiquitous. Often, uncertainty arises because although librarians are called on to perform such services daily, readers' advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading, and readers, and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches, such as genre appeal, features, and reading interests, and about essential tools that can help with RA. Plus, you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy-to-understand crash course with the solid background you need to do both.
