Sencan, Denis Kos, Esther Grassian, Loriene Roy, Diane Mizrahi, 2026-02-17 This book constitutes the revised selected papers of the 9th European Conference on Information Literacy ECIL 2025 held in Bamberg Germany during September 22-25 2025. The 52 full papers included in this volume were carefully reviewed and selected from 223 submissions. They are organized in the following topical sections: Artificial intelligence AI and Information Literacy IL, AI Information Media Data Digital and Health Literacies, IL Instruction and Innovative Pedagogical Frameworks in the Age of AI, Information Behaviour in AI Environment and AI IL Intellectual Property Rights Libraries and Librarians. *Trust and Inclusion in AI-Mediated Education* Dora Kourkoulou, Anastasia-Olga (Olnancy) Tzirides, Bill Cope, Mary Kalantzis, 2024-09-27 *Trust and Inclusion in AI Mediated Education: Where Human Learning Meets Learning Machines* is a resource for researchers and practitioners in a field where the mainstreaming of AI technologies and their increased capacities for deception have produced confusion and fear. Identifying theoretical frameworks and practices in teaching with and training trustworthy and inclusive AI technology sheds light on the new challenges and opportunities for learning machines and their intersections with human learning. The book looks into the history of developing AI technology and algorithms. It offers theoretical models for best practices interpretation and evaluation taking into account especially the needs of contemporary learners and their advanced literacies in cyber social environments. The book presents in depth analyses of recent and ongoing applications of state of the art AI technologies in learning environments and classrooms assessments ending with an interview with George Ritzer on McDonaldization and Artificial Intelligence. **Trends in Persian Language, Literature, and Pedagogy** Mohammad Hossein Keshavarz, Alireza Korangy, 2026-03-23 This book brings together a diverse array of researchers and seasoned educators to present a sweeping exploration of Persian language literature and pedagogy. With a dual focus, the book is thoughtfully structured in two distinct parts. Part I delves into the rich landscape of Persian Language and Literature while Part II highlights dynamic approaches and emerging perspectives in the Teaching of Persian to Speakers of Other Languages (TPSOL). Across its chapters, the book traverses centuries of literary evolution and linguistic development. Topics range from the transformation of twentieth century Persian prose fiction and the legacy of Indo-Persian traditions in the postcolonial era to poetic portrayals of marriage and the linguistic adaptation of Persian loanwords into Turkish. It also illuminates the mystical depths of Sufi thought through classical Persian texts and tackles key dimensions in foreign language instruction from curriculum design to learner engagement strategies. Timely, interdisciplinary and global in scope, *Trends in Persian Language Literature and Pedagogy* is a must-read resource for scholars, educators, and students in the fields of Persian studies, comparative literature, applied linguistics, and foreign language teaching. *ChatGPT - Talk to me!* Andreas Wenth, 2023-01-05 *ChatGPT Talk to me: Your guide for successful communication with ChatGPT including 400 sample prompts* by Andreas Wenth offers a comprehensive insight into the world of speech-generative artificial intelligence (AI). Official Saga Synopsis How Far Would You Pay for Love In contemporary Rio de Janeiro a city where beauty hides invisible wars Helena Moura an art restoration specialist discovers that an ancient painting is not merely a historical artifact It is a secret A silent map of hidden power spanning decades connecting businessmen politicians judges and institutions that control the city s fate without ever revealing themselves When records about the painting s origin begin to mysteriously disappear Helena realizes her entire life has been pushed into a reality where the truth is dangerous not only to those who expose it but to everyone they love Within the same labyrinth lives Gabriel Alencar a corporate lawyer accustomed to navigating between ethics and survival He understands the rules of the game Helena despises and knows that in that world innocence protects no one Their meeting is not an ordinary romance It is an involuntary pact As three invisible forces struggle for control of power the sophisticated Casino League the expansionist Guanabara Alliance and the silent Order of the Golden Hill every decision the couple makes triggers irreversible waves of consequences In this universe justice is relative reputation can be destroyed in an instant and institutional protection may save bodies but it never saves hearts Because in this story there is only one absolute law Love never saves Love demands a price And the question

Misbelief Dan Ariely,2023-09-19 In this thoughtful moving and well written book Dan Ariely narrates his personal and professional journey to understand the world of misbelievers and conspiracy theories and offers insights and tips that will hopefully help all of us protect our fragile social fabric from being torn apart by disinformation and distrust Yuval Harari bestselling author of Sapiens Misbelief is an urgent examination of the human attraction to misinformation This timely book can provide a crucial foundation for building a more empathetic and informed society Daniel H Pink 1 New York Times bestselling author of The Power of Regret The renowned social scientist professor and bestselling author of Predictably Irrational delivers his most urgent and compelling book an eye opening exploration of the human side of the misinformation crisis examining what drives otherwise rational people to adopt deeply irrational beliefs Misinformation affects all of us on a daily basis from social media to larger political challenges from casual conversations in supermarkets to even our closest relationships While we recognize

the dangers that misinformation poses the problem is complex far beyond what policing social media alone can achieve and too often our limited solutions are shaped by partisan politics and individual interpretations of truth In Misbelief preeminent social scientist Dan Ariely argues that to understand the irrational appeal of misinformation we must first understand the behavior of misbelief the psychological and social journey that leads people to mistrust accepted truths entertain alternative facts and even embrace full blown conspiracy theories Misinformation it turns out appeals to something innate in all of us on the right and the left and it is only by understanding this psychology that we can blunt its effects Grounded in years of study as well as Ariely s own experience as a target of disinformation Misbelief is an eye opening and comprehensive analysis of the psychological drivers that cause otherwise rational people to adopt deeply irrational beliefs Utilizing the latest research Ariely reveals the key elements emotional cognitive personality and social that drive people down the funnel of false information and mistrust showing how under the right circumstances anyone can become a misbeliever Yet Ariely also offers hope Even as advanced artificial intelligence has become capable of generating convincing fake news stories at an unprecedented scale he shows that awareness of these forces fueling misbelief make us as individuals and as a society more resilient to its allure Combating misbelief requires a strategy rooted not in conflict but in empathy The sooner we recognize that misbelief is above all else a human problem the sooner we can become the solution ourselves
