Cyber Monday Discount Customer Service:

2024 Holiday Customer Service Blueprint Jelisaveta Sapardić, 2024-08-20 Did you know that customer service requests can increase by 65% during Black Friday and Cyber Monday compared to a typical day? This staggering surge can overwhelm even the most prepared customer support teams as they struggle to manage a flood of repetitive questions, keep response times low, and maintain high levels of customer satisfaction all at the same time. However, this surge also presents a critical opportunity to boost revenue and acquire new customers, with over 87% of consumers shopping during Black Friday and 61 million people globally purchasing from Shopify-powered brands. Drawing from our experience supporting over 300,000 businesses worldwide, we understand the importance of a seamless customer experience, especially for e-commerce companies and SMBs. We've developed strategies that help businesses overcome customer service challenges during peak shopping times. In this ebook, we'll share practical tips and insights from industry experts to help you manage customer demands during these critical periods. Learn how to navigate and thrive during the busiest seasons with our proven advice.

Airline e-Commerce Michael Hanke, 2016-05-20 From the few tickets that were sold by Alaska Airlines and former British Midland in December 1995 via the industry's first airline booking engine websites, global online travel has grown to generate today more than half a trillion dollars in annual revenue. This development has brought significant changes to the airline business, travel markets, and consumers. Today, airlines worldwide not only use e-commerce for online marketing and selling but also as a platform to offer unique services and capabilities that have no counterpart in the physical world. This book is an in-depth introduction to airline e-commerce. It covers a broad scope of areas that are essential to an airline's ongoing digital transformation: Digital properties, features, E-marketing, E-sales, distribution, Web, customer service, E-commerce organization, E-commerce strategy. Written by an airline e-commerce expert and illustrated with numerous examples of leading airlines in this area, Dr. Hanke provides comprehensive behind-the-scenes details of how airline e-commerce works. This book is a crucial companion for students and practitioners alike because it allows the reader to acquire a thorough foundation of airline e-commerce. Furthermore, the book enables the reader to appreciate the ramifications of airline e-commerce in certain corporate areas and to take effective action for a successful e-commerce strategy. **42 Rules**
