Netflix Deal:

From Networks to Netflix Derek Johnson,2022-07-26 Now in a second edition this textbook surveys the channels platforms and programming through which television distribution operates with a diverse selection of contributors providing thorough explorations of global media industries in flux Even as legacy media industries experience significant disruption in the face of streaming and online delivery the power of the television channel persists Far from disappearing television channels have multiplied and adapted to meet the needs of old and new industry players alike Television viewers now navigate complex choices among broadcast cable and streaming services across a host of different devices From Networks to Netflix guides students instructors and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter This second edition features new players like Disney HBO Max Crunchyroll Hotstar and more increasing attention to TV services across the world An ideal resource for students and scholars of media criticism media theory and media industries this book continues to offer a concrete tangible way to grasp the foundations of television and television studies even as they continue to be rewritten *Net Neutrality and the Battle for the Open Internet* Danny Kimball,2022-08-24 Net neutrality a dry but crucial standard of openness in network access began as a technical principle informing obscure policy debates but became the flashpoint for an all out political battle for the future of communications and culture *Net Neutrality and the Battle for the Open Internet* is a critical cultural history of net neutrality that reveals how this intentionally boring world of internet infrastructure and regulation hides a fascinating and pivotal sphere of power with lessons for communication and media scholars activists and anyone interested in technology and politics While previous studies and academic discussions of net neutrality have been dominated by legal economic and technical perspectives *Net Neutrality and the Battle for the Open Internet* offers a humanities based critical theoretical approach telling the story of how activists and millions of everyday people online and in the streets were able to challenge the power of the phone and cable corporations that historically dominated communications policy making to advance equality and justice in media and technology *FCC Record* United States. Yellowface R. F. Kuang,2023-05-16 INSTANT NEW YORK TIMES BESTSELLER A REESE S BOOK CLUB PICK EXCERPT TO NEW NOVEL KATABASIS Hard to put down harder to forget Stephen King White lies Dark humor Deadly consequences Bestselling sensation Juniper Song is not who she says she is she didn t write the book she claims she wrote and she is most certainly not Asian American in this chilling and hilariously cutting psychological thriller from R F Kuang the 1 New York Times bestselling author of *Babel* Authors June Hayward and Athena Liu were supposed to be twin rising stars in the world of literary fiction But Athena s a literary darling June Hayward is literally nobody Who wants stories about basic white girls June thinks So when June witnesses Athena s death in a freak accident she acts on impulse she steals Athena s just finished

masterpiece an experimental novel about the unsung contributions of Chinese laborers during World War I So what if June edits Athena s novel and sends it to her agent as her own work So what if she lets her new publisher rebrand her as Juniper Song complete with an ambiguously ethnic author photo Doesn t this piece of history deserve to be told whoever the teller That s what June claims and the New York Times bestseller list seems to agree But June can t get away from Athena s shadow and emerging evidence threatens to bring June s stolen success down around her As June races to protect her secret she discovers exactly how far she will go to keep what she thinks she deserves With its totally immersive first person voice from a masterfully crafted unreliable narrator Yellowface grapples with questions of diversity racism and cultural appropriation as well as the terrifying alienation of social media R F Kuang s novel is timely razor sharp and eminently readable **What makes Netflix's Bodyguard so successful? An intimate viewing** Mela Z.,2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life **Contemporary Business** Louis E.
