

A close-up photograph of a person's hands working on a copper pipe. The person is wearing brown leather work gloves. One hand holds a copper pipe that has been bent into a 90-degree elbow. The other hand holds a black propane torch, which is applied to the joint of the pipe. A bright blue flame from the torch is visible, and a small amount of solder is being applied to the joint. Sparks are flying from the point of contact between the torch and the pipe. The background is dark and out of focus.
