

A close-up photograph of an electrical control panel. The panel is light-colored and features a central terminal block with several rows of screw terminals. A bundle of wires, including blue, red, white, and green, is connected to the terminals. A red wire is particularly prominent, running vertically through the center. To the left of the terminal block, there are three vertical slots with colored covers: yellow, green, and red. To the right, there is a blue terminal block. The background shows the internal structure of the panel with various components and wiring.
