Transaction Denied Rainey Reitman,2026-04-07 Exposes how companies like Visa Chase PayPal Bank of America and Mastercard use their power to silence dissenting voices and hurt democracy through the practice of financial censorship Civil liberties activist Rainey Reitman introduces readers to the concept of financial censorship a form of privatized censorship where banks and payment intermediaries act as censors in ways the government couldn t do directly without violating the First Amendment Reitman examines financial companies and the role they have played in policing speech as well as the laws and corporate policies that have enabled this form of censorship Weaving together over a decade of research with interviews and narratives from those personally impacted by financial censorship Reitman reveals how financial exclusion has become a tool to pressure marginalized voices into silence From the executive director of a voting rights nonprofit to a teacher of Iranian poetry to adult content creators and the cannabis community

Reitman uplifts the voices of those who have been targeted by these powerful institutions She uses their stories as a launching point to explore larger issues about who should have the power to censor in a democratic society Insightful and fresh Transaction Denied exposes this new and alarming form of censorship and offers a path forward by advocating for communities affected by financial exclusion and calling for more transparency of our financial systems *Fostering Innovation and Competitiveness With FinTech, RegTech, and SupTech* Boitan, Iustina Alina, Marchewka-Bartkowiak, Kamilla, 2020-09-11 Due to the emergence of innovative technologies various professional fields are transforming their traditional business practices Specifically the financial and legal markets are experiencing this digital transformation as professionals and researchers are finding ways to improve efficiency personalization and security in these economic sectors Significant research is needed to keep pace with the continuous advancements that are taking place in finance *Fostering Innovation and Competitiveness with FinTech RegTech and SupTech* provides emerging research exploring the theoretical and practical aspects of technologically innovative mechanisms and applications within the financial economic and legal markets Featuring coverage on a broad range of topics such as crowdfunding platforms crypto assets and blockchain technology this book is ideally designed for researchers economists practitioners policymakers analysts managers executives educators and students seeking current research on the strategic role of technology in the future development of financial and economic activity *Power Politics* Darrell M. West, 2022-08-09 Curing the causes and consequences of Trumpism It is no secret that the United States faces extraordinary political and societal challenges even as it recovers from the COVID 19 pandemic Political polarization and extremism are the most apparent symptoms resulting from long term economic and social inequities as well as a toxic information ecosystem It is easy to blame Donald Trump for the sad state of American democracy After all he abused his executive authority spread false claims and even incited violence But Trumpism is almost certain to outlast Trump himself The grievances he exploited and the aggrieved to whom he appealed existed well before he became president and likely will endure after he is gone from the political scene The current political atmosphere is poisonous for those who operate on the basis of facts reason and logic It is time to step back from this dangerous precipice and reflect on the causes of the serious threats to American democracy procedural justice and a reason based society With polarization now entrenched and authoritarianism gaining strength no one should assume that facts somehow will triumph over falsehoods and reason will prevail over emotion Drawing on his personal experiences in the D C policy world Darrell West offers advice for protecting people organizations and the country as a whole from our contemporary challenges This book makes the risks to democracy understandable by explaining specific threats and offering concrete ideas for ameliorating them It will appeal to anyone interested in American politics democracy elections mass media technology and governance **Multimedia:** **Making It Work, Ninth Edition** Tay Vaughan, 2014-05-30 Publisher's Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product The
