Apple Watch Series 5 for Seniors Scott La Counte,2019-09-19 The Apple Watch looks pretty snazzy right People have told you all about the cool features like if you fall it will automatically call for help They ve told you about how you can send a text from your wrist How you can even make a phone call That s all great But how do you actually use it As amazing as all the new features are it s not quite as easy to use as an iPhone the lack of buttons the smaller screen and general UI can make a frustrating initial

experience It looks nothing like the iPhone or iPad interface you are used to except for a handful of icons If you are lost and don't have a lot of time to comb through thousands of pages of tech speak just to learn how to use a watch then this book is for you This book is based on the book *The Ridiculously Simple Guide to Apple Watch Series 5* but includes sections specifically for seniors including accessibility features that make text easier to see Are you ready to start enjoying your new Apple Watch Then let's get started *Apple Watch Series 5 for Seniors* Scott La Counte,2019-09-03 PLEASE NOTE This is the color edition of *Apple Watch Series 5 for Seniors A B* the lack of buttons the smaller screen and general UI can make a frustrating initial experience It looks nothing like the iPhone or iPad interface you are used to except for a handful of icons If you are lost and don't have a lot of time to comb through thousands of pages of tech speak just to learn how to use a watch then this book is for you This book is based on the book *The Ridiculously Simple Guide to Apple Watch Series 5* but includes sections specifically for seniors including accessibility features that make text easier to see Are you ready to start enjoying your new Apple Watch Then let's get started *Apple Watch Series 3 For Seniors* Scott La Counte,2019-09-04 The Apple Watch looks pretty snazzy right People have told you all about the cool features like if you fall it will automatically call for help But how do you use it It looks nothing like the iPhone or iPad interface you are used to except for a handful of icons If you are lost and don't have a lot of time to comb through thousands of pages of tech speak just to learn how to use a watch then this book is for you This book is based on the book *The Ridiculously Simple Guide to Apple Watch Series 3* but includes sections specifically for seniors including accessibility features that make text easier to see Are you ready to start enjoying your new Apple Watch Then let's get started **Help Me! Guide to the Apple Watch** Charles Hughes,2015-05-29 Need help with the first generation Apple Watch The Apple Watch is Apple's first smartwatch and comes with many useful features that make it the perfect companion for your iPhone However some of the features on the watch are somewhat difficult to grasp at first This guide will introduce you to the Apple Watch and how it works with your iPhone The Guide to the Apple Watch gives task based instructions without using any technical jargon Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the Apple Watch Therefore this guide will teach you how to perform the most common tasks Instead of presenting arbitrary instructions in lengthy paragraphs this book gives unambiguous simple step by step procedures Additionally detailed screenshots help you to confirm that you are on the right track This guide also explains secret Tips and Tricks to help you accomplish your day to day tasks much faster If you get stuck refer to the Troubleshooting section to isolate and solve the problem Help is here **The Ridiculously Simple Guide to Apple Watch Series 4** Scott La Counte,2019-10-19 The stage was set in September 2018 It was iPhone's big event The day where journalist and Apple fans alike lusted over the latest and greatest iPhone But a funny thing happened on the way to the announcement Apple Watch Series 4 took everyone's breath away The Apple Watch has of course been around for three years and seen several updates But 2018 was different the watch was finally ready for the masses This wasn't a watch

for early adopters or fitness buffs this was the watch your parents and grandparents would get behind In addition to all the great features Apple Watch has always had series 4 is slimmer yet with a screen that is somehow bigger has optional cellular for making phone calls and streaming music without your phone and drop detection so if you fall and can't get up the fire department is dispatched to your location Everything about it was designed to motivate you to be more active As amazing as all the new features are it's not quite as easy to use as an iPhone the lack of buttons the smaller screen and general UI can make a frustrated initial experience The point of this book is to help new Apple Watch users and users updating to Watch OS 6 from an older device get the most out their investment Are you ready to start enjoying your new Apple Watch Then let's get started Note This book is not endorsed by Apple and should be considered unofficial
