reality of day to day life with children It does this by including interviews with unschooling families exercises for parents to help reinforce ideas listing key points in every chapter and including diagrams to illustrate the concepts being explored Whether you are a parent looking for alternatives to school are already home educating and exploring the possibilities have found yourself unexpectedly unschooling or are certain that this is the route for you this book serves as a guide to both understanding and implementing the core principles taking you on a journey from schooled to unschooled and releasing you and your child into a life full of learning
