Transnational Management Christopher A. Bartlett, 2011
Bartlett, Paul W. Beamish, 2018-03 *Transnational Management* offers a uniquely global focus on strategic development, organizational capabilities, and management challenges

Strategic International Management Dirk Morschett, Hanna Schramm-Klein, Joachim Zentes, 2015-01-27 A compact overview of the most relevant concepts and developments in International Management. The various strategy concepts of internationally active companies and their implementation in practice are the core of this book. The authors describe the particularities of international value chain activities and management functions and offer a thorough understanding of how Production, Sourcing, Research, Development, Marketing, Human Resource Management, and Controlling have to be designed in an international company and what models are available to understand those activities in an international context. In 23 lessons, a comprehensive overview of all key issues is given. Each lesson is accompanied by a case study from an international company to facilitate the understanding of all important factors involved in strategic international management. In this third edition, all chapters have been updated, all case studies revised, new chapters, and recent data were integrated

Management 7th Ed. Stephen P. Robbins, 2003
Global Business Riad A. Ajami, G. Jason Goddard, 2017-10-12 Globalization has been under extreme pressure in the wake of the financial crisis. Multinational firms are weighing the costs and benefits of international scale and scope and are increasingly under pressure to hire local, to source local, and to pay taxes domestically. At the same time, global competitive pressures have intensified. This book reviews international business practices from the multinational firm perspective and provides pathways forward concerning competitiveness and sustainability in global markets. What sets this book apart from others is that the benefits and pitfalls of globalization are addressed. Chapter coverage focuses on the functional areas of the business and how they are impacted by international expansion. Practical case studies supplement chapter coverage and highlight both positive and negative developments in the global business arena. Readers should expect to be challenged on what will be the limits of the multinational firm in the future and how multinational firms can continue to prosper while at the same time adhere to sustainable business initiatives. Equally useful to both undergraduate and graduate students of international business as well as professional development programs, *Global Business: Competitiveness and Sustainability* provides a necessary tonic for dealing with today's troubled seas of globalization

Institutional Impacts on Firm Internationalization S. Marinova, 2014-12-19 *Institutional Impacts on Firm Internationalization* addresses various aspects of the investigated phenomenon, providing an insight into the role of the varieties of capitalism on the globalization of business activities worldwide
