

Interpersonal Attraction (important factors)

1. Proximity (functional distance)
 - role of the mere exposure effect (Moreland & Beach, 1992)
2. Physical Attractiveness
 - a preference is seen even in 2-3 month old infants (Langlois, Ritter, Roggman, & Vaughn, 1991)
 - role of matching hypothesis

What makes a face attractive?@

- Langlois & Roggman (1990)

3. Do opposites attract?
 - role of similarity
4. The role of reciprocity effects and romantic ideals (in book)
5. Love as attachment?? (in book)

Love

- passionate love vs. companionate love
- importance of how we cognitively interpret our arousal (Dutton & Aron, 1974, 1989)
- Berscheid-s (1983) findings from interviewing college students
- Robert Sternberg-s triangular model of love

An evolutionary perspective

- David Buss- Sexual Selection Strategies (Buss, 1988)
- Clark & Hatfield (1989)

Attributions

- what are they? - internal vs. external - stable vs. unstable

Common mistakes or biases that we tend to make when we engage in the process of making attributions:

1. Actor-Observer Bias (there are two sides to this, depending on whether you-re making an attribution about yourself, or someone else).
 - We have a tendency to see other people's behavior as influenced mostly by internal (personal) causes (and we therefore tend to ignore or overlook external reasons).
 - This mistake is so common it's called the **Fundamental Attribution Error** (although it may be limited to Western, individualistic cultures rather than collectivist cultures)
 - We also have a tendency to see our own behavior as influenced mostly by external (environmental) causes (and we therefore tend to ignore or overlook internal reasons).
2. Self-Serving Bias - (comes into play when you attempt to explain your own success & failure)
 - The tendency to attribute our positive outcomes to internal factors and our negative outcomes to external factors.
3. The Just World Phenomenon (aka Defensive attributions; Blaming the Victim)
 - The tendency to believe the world is just and that people therefore get what they deserve and deserve what they get (in other words, blaming victims for their own misfortunes).

Chapter 15 Lecture Outline Napa Valley College Pages

DJ Losen

Chapter 15 Lecture Outline Napa Valley College Pages:

Unveiling the Magic of Words: A Review of "**Chapter 15 Lecture Outline Napa Valley College Pages**"
