Encyclopedia of New Populism and Responses in the 21st Century Joseph Chacko Chennattuserry, Madhumati Deshpande, Paul Hong, 2024-12-02 This book mainly seeks to explain define and update the recurring forms of populism in the 21st century Examples used in this Introduction are limited to English speaking countries But populism's existent expressions are ecumenically global Like any long lasting perennial organism it is sturdy and comes in a variety of forms adaptable to environmental changes In political or cultural terms its expression has been neither exclusively left center nor right Populism contains multitudes dates back centuries before it was identified with its modern name Populism has become a hot button issue in the recent times The UK's Sunday heavy The Guardian published about 300 articles in 1998 that used the term populism or populist and by 2016 its use had skyrocketed to over 2 000 And growing

Probably the single greatest catalyst to date that injected populism into the world's Internet common discourse that infused it into journalism right left and center and awakened populist political activism was the Great Recession of 2007-08 and the subsequent global deprivations it engendered. In today's world populism promises to remain and renew its intensity due to the COVID-19 pandemic's deleterious effects on most nations' middle and low income groups, especially minorities. These are some reasons among many why it is time for populism to be relocated, identified, and given refreshed 21st-century understandings. It has a shifting nature among people, events, causes that constantly demands fresh studies. It is a social and cultural phenomenon, both universal and particular. In our 21st-century world, it is a product of our shared cultures and each our own exceptional deep culture. This Encyclopedia is unique in its composition as it includes all the major disciplines of Social Sciences and thus will be a one-stop source of nine different disciplines looking at new populism.

Beyond Money Kirti Gupta, 2024-10-31 *Beyond Money: Redefining Success in the 21st Century*. What if success meant more than financial gain? What if it involved a life enriched with well-being, meaningful relationships, purpose, and humanity? In *Beyond Money*, I challenge the traditional pursuit of wealth as the ultimate goal and explore a richer, more fulfilling path. Through thought-provoking insights, practical strategies for achieving work-life balance, tips for cultivating meaningful relationships, and actionable steps to discover your life's purpose, this book invites you to redefine success by placing humanity and personal growth at the center.

You'll Discover Balance: Financial Stability with Well-Being. Practical advice on managing your career and finances without sacrificing your peace of mind or health.

Prioritize Relationships: Proven tips for building and nurturing deep, meaningful connections with those who matter most.

Live with Purpose: Tools and techniques to help you uncover your unique purpose and align your goals with a deeper sense of fulfillment.

Embrace Humanity: The importance of kindness, integrity, and empathy in creating a lasting positive impact on the world.

Real Life Stories to Inspire You: This book includes powerful real-life examples of individuals who have successfully redefined success, overcoming challenges to find balance, strengthen relationships, and lead purposeful lives. Whether you're seeking practical steps to improve your daily life or striving to leave a meaningful legacy, *Beyond Money* offers a roadmap for a life of inner fulfillment and lasting success. The journey begins with you: Are you ready to go beyond money and redefine what success truly means? This book includes my personal experiences and insights on what it truly means to succeed. It's my hope to inspire a shift for us and future generations toward a life where money serves us, not rules us, and where purpose, humanity, and inner peace are the ultimate achievements.
