Financialization Of Daily Life Randy Martin, 2002-10-18 While trillions of dollars came and went in the stock market boom of the 1990s the image of every man and woman a CEO may turn out to be the era's lasting legacy Business news once reserved to specialized papers or sections of the larger news of the day came to the forefront in cable television and in cultural images of how ordinary people through the internet and other avenues could not only master their financial life but move money and equity around with the ease of a financial titan Financialization of

Daily Life looks at how this transformation occurred and how it is just now becoming a significant and troubling aspect of our political and cultural life Randy Martin takes us through all of the aspects of our financialization He examines how the shift in economic life arose not only from changes in culture but also from new policy priorities that emphasize controlling inflation over promoting growth He offers a close reading of self help literature that teaches parents how to rear financially literate children and to instruct adults in the fundamentals of fiscal management He examines just what a society that treats financial investment as a national past time really looks like and how that society is transforming the world In a country rocked by scandals in accounting and banking the identification ordinary citizens make with and the risk with which they engage in the stock market calls into question the very basis of our economic system Randy Martin spells out in clear terms the implications our financial doings and undoing have for the way we organize our lives and especially our money

The Practical Dreamer's Handbook Paul Edwards, Sarah Edwards, 2001 In three step by step sections this guidebook offers practical ways to escape limiting beliefs move from Desire to Action to Satisfaction and marshal your resources to begin the lifestyle and career you have always wanted You will discover how to Walk the path between practicality and your dreams of new possibilities Create a new reality for your life Appreciate the process of change and transformation Enjoy yourself every step of the way This book is for both those who have dreams they can't seem to find ways to pursue and those who can't seem to discover what dreams they'd like to pursue It rejects both the traditional notion of waiting for a retirement that may never come to live your dreams and the popular model of being a slave to rigid goals and mind numbing minute by minute planning that ends up bogging us down Instead it provides a blueprint for combining creative imagination with practicality
