unending hope from a Heavenly Father who never stops loving you Each heartfelt prayer and devotion is intended to help you navigate the complex set of emotions that come with caregiving Read it front to back or go directly to the devotion addressing how you feel at any given moment when you need it most Take comfort in the truth that God knows your every need as a caregiver and is always there for you amid your toughest trials *How to Connect with Your Troubled Adult Children* Allison Bottke,2019-01-08 What to Do When Parenting Gets Painfully Complicated Are your adult child s mental emotional and physical health issues driving you to despair Are you tempted to bail your son or daughter out of yet another impossible circumstance When your child has reached or long since passed the point of independence it s difficult to know what your help as a parent should look like From the author of bestseller *Setting Boundaries with Your Adult Children* Allison Bottke now offers an in depth guide to help you connect with your troubled adult child and to build your confidence knowledge and hope in challenging situations such as drug addiction mental and emotional disabilities military trauma and PTSD personality disorders financial trouble depression and bipolar divorce incarceration and so much more Whether you re facing these problems for the first time or looking to learn more take a step back and develop effective strategies to truly help your adult child without sacrificing your sanity **ISIS, Iran, Israel** Mark Hitchcock,2016-05-01 What s Next for the Middle East and How Will It Affect Us Iran has repeatedly declared its intention to destroy Israel ISIS continues to gain ground leaving a trail of death and terror in its wake And Russia is inserting itself into Middle Eastern affairs in a power play prophesied long ago ISIS Iran Israel is an updated edition of the book *Iran and Israel by prophecy* scholar Mark Hitchcock with all new information on ISIS Russian involvement in Syria and Iran and the state of relations between Israel and Iran Hitchcock brings a strong biblical perspective to the latest conflicts while answering important questions such as Where did ISIS come from and why are its tactics so brutal Are we on the road to the Apocalypse Will there ever be peace in the Middle East What can we expect in the days to come How are events in the Middle East affecting America today An eye opening survey of where things stand and how it all ties in with Bible prophecy **A Busy Person's Guide to a Healthier Life** Matt Dragon,2019-03-05 Live Longer Feel Better Stay Healthier Keeping fit can feel like a time consuming task But what if you could make several simple small changes that add up to a large improvement in the quality of your life The daunting challenge of improving your health would suddenly feel more achievable and maintainable giving you the confidence you need to take more steps toward a better you This book is all about the little ways you can make a big impact on your well being every day with practical advice and current research in three key areas Diet Nutrition read labels grocery shop smarter and stay hydrated Exercise Fitness overcome excuses become gym savvy and exercise your brain Stress Rest sleep better understand depression and conquer stress These and other intriguing topics will help you make better choices and give you dozens of easy things you can do to promote a healthy lifestyle *My Mother Was a Computer* N. Katherine Hayles,2010-03-15 We live in a world according to N Katherine Hayles where new languages are constantly emerging

proliferating and fading into obsolescence These are languages of our own making the programming languages written in code for the intelligent machines we call computers Hayles s latest exploration provides an exciting new way of understanding the relations between code and language and considers how their interactions have affected creative technological and artistic practices My Mother Was a Computer explores how the impact of code on everyday life has become comparable to that of speech and writing language and code have grown more entangled the lines that once separated humans from machines analog from digital and old technologies from new ones have become blurred My Mother Was a Computer gives us the tools necessary to make sense of these complex relationships Hayles argues that we live in an age of intermediation that challenges our ideas about language subjectivity literary objects and textuality This process of intermediation takes place where digital media interact with cultural practices associated with older media and here Hayles sharply portrays such interactions how code differs from speech how electronic text differs from print the effects of digital media on the idea of the self the effects of digitality on printed books our conceptions of computers as living beings the possibility that human consciousness itself might be computational and the subjective cosmology wherein humans see the universe through the lens of their own digital age We are the children of computers in more than one sense and no critic has done more than N Katherine Hayles to explain how these technologies define us and our culture Heady and provocative My Mother Was a Computer will be judged as her best work yet
