Diddy Trial Week 8: The Verdict and Bail Denied Matthew Russell Lee, When the jury sent out a note on the afternoon of July 1 in US v Sean Combs many wondered if it would be another request for testimony as the jury had asked about Cassie Ventura in the morning Or perhaps another complaint about not following Judge Subramanian s instructions as Juror 25 had been complained about on June 30 But soon Sean Combs whispered to by his lawyer was sitting near catatonic at the defense table staring into space Judge Subramanian came out and recounted that the jury had reached verdicts on counts 2 through 5 but not on Count 1 racketeering conspiracy On that there were unpersuadable opinions on both sides There was discussion of giving a so called Allen charge to go back and try again finally it was decided to send the jurors home with the instruction they come in on July 2 at 9 am and continue deliberating on Count 1 And what might that consist of They had already asked on their first day of deliberations for the law about drug distribution one of the RICO predicates Might they ask about the other possible predicates from arson to kidnapping to obstruction of justice to yes sex trafficking Logically if they had reached a guilty verdict on sex trafficking at least as to Cassie Ventura if not the witness known as Jane the RICO question would be whether others had conspired with Combs for that sex trafficking His travel agent made travel arrangements his security had kept her in a hotel room so that no one would see her swollen face after he beat here that was one of two California kidnapping alleged Why had the said there were unpersuadable opinions against the RICO charge without even asking for evidence about those predicates Having covering the case since Combs arrest and presentment I was asked to go on a true crime podcast on the night of July 1 What could I say It would be irresponsible to claim to know what the four verdicts were But one of them Instead I focused on how Combs reacted or seemed to react staring into space Diddy Do It Well two of five according to the jury And bail would be denied but expedited sentencing offered the story blow by blow is here Book 9 about the sentencing is not before *Music Trades* ,1922 **The Supervisors Service Bulletin** ,1923
