Buy Now Emily West,2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon s consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand s focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand s image control strategies West considers why pushback against Amazon s ubiquity and market power has come mainly from among Amazon s workers rather than its customers or competitors arguing that Amazon s brand logic fragments consumers as a political bloc West s innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today s economy

How We Give Now Lucy Bernholz,2021-10-12 From Go Fund Me to philanthropy the everyday ways that we can give our money our time and even our data to help our communities and seek justice In How We Give Now Lucy Bernholz shows that philanthropy is more than writing a check and claiming a tax deduction For most of us the non wealthy givers philanthropy can be a way of living our values and fully participating in society We give in all kinds of ways shopping at certain businesses canvassing for candidates donating money and making conscious choices with our retirement funds We give our cash our time and even our data to make the world a better place Bernholz takes readers on a tour of the often overlooked worlds of participatory philanthropy learning from a diverse group of forty resourceful givers Donating our digitized personal data is an emerging form of philanthropy and Bernholz describes safe equitable and effective ways of doing so giving genetic data for medical research through a nonprofit genetics organization rather than a commercial one for example or contributing photographs to an online archive like the Densho Digital Repository which documents America s internment of 120 000 Americans of Japanese descent Bernholz tells us to follow the money however when we re asked to add a dollar to our total at the cash register or when we buy a charity branded product it s more effective to give directly than to give while shopping Giving is a form of participation Philanthropy by the rest of us across geographies and cultural traditions begins with and builds on active commitment to our communities

Who Took Jesus Out Of Christmas? Sharon Brunnelson, 2020-01-10. Thirteen year old Marlee Madison is an accidental detective. She is about to become a teenager but doubts her ability to grow up. She is chosen to play Mary in her town's Christmas festival, Nativity Night. This honor allows her to hold the town's three hundred year old Baby Jesus figure and to become the next participant in the legend of the Christmas wish. While she searches for the perfect wish, she faces the financial difficulties of her friends, as well as a tragedy of her own. Marlee learns about a mystery of hidden gold that has baffled her town for 150 years. She vows to solve the mystery but must put aside her search when it appears that the town will have to cancel Nativity Night, as well as her Christmas wish, when the Baby Jesus figure goes missing. Marlee's best friend, Jeremy, struggles with his own dilemma and must turn to the town's meanest old man, Mr. Trumbull, for help. Does Mr. Trumbull hold the clue to the missing gold? Jeremy faces an emergency that thwarts his plans and changes his life instead. Through the trials that she and her friends face, a few misadventures, and advice from an older widowed woman who runs the local cafe, Marlee not only solves the mysteries but grows a little in her faith along the way and serves as an inspiration to everyone in her home town of Christmas.
