David Almond Don Latham,2006 David Almond's six books have been praised for their lyrical prose their evocative use of magical realism and their sensitive male and strong female characters His work has garnered several prestigious literary awards including the Carnegie Medal the Whitbread Children's Book of the Year Award and the Michael L Printz Award Clearly Almond is a significant talent in the world of young adult literature who has in a short time gained an impressive amount of recognition but to date little critical commentary devoted to Almond's works has appeared Given the high regard accorded Almond's work and his regular output over the last five years it is appropriate that this book length critical study of his works is published David Almond *Memory and Magic* discusses how Almond's major themes relate specifically to the development of selfhood in his adolescent characters and explores the four major themes that are evident in all of his works magical realism death memory and imagination A chronology extensive bibliography afterword and index round out this text that serves as a resource for scholars and students of young adult fiction as well as teachers and librarians who work with young adults ultimately helping to foster among young people a deeper appreciation for Almond's work as a literary artist

A Single Life to Live Hannah Schermerhorn,2023-02-14 A single life is a life worth living and it's worth living well God has a great life all planned out for you What you may not realize if you're single is that you're already living it Right now Today Your God designed life doesn't start when you say I do or when you get engaged or even when you meet the one It's been happening as long as you've been alive even if you're still single and wish you weren't Hannah Schermerhorn knows exactly what it's like She was months away from getting married when her wedding was called off She absolutely loathed being single again but in the following years God taught her many hard lessons that transformed her bitterness to authentic joy Drawing from the diverse experiences of single people in the Bible Hannah debunks common myths and misunderstandings about singleness including the pervasive feeling that a person can't really begin their life until they're married If you are lonely hopeless or impatient let Hannah be your guide through the internal battles and external pressures you're facing God has a special purpose for singleness whether it lasts for only a season or your whole life Let Hannah help you discover God's best for you in your single life
