Spiritual Interpretation Of Scripture:

Spiritual Interpretation of Scripture Joel S. Goldsmith, 2010-08 2010 Reprint of 1947 Edition According to Goldsmith those who find god who attain even a small measure of understanding have wealth that neither time nor circumstance can affect These have no concern for their material or physical well being because they have found that their permanent and unchanging good their invariable life and substance are all included in god From Introduction Spiritual Interpretation of Scripture Joel S. Goldsmith, Goldsmith Joel Goldsmith, 2008-03 Joel Goldsmith s *Spiritual Interpretation of Scripture* takes us beyond the normal metaphysical Bible interpretations into a deeper realization of the Spiritual Truth contained in the Holy Scriptures Theological Interpretation of Scripture as Spiritual Formation , 2022-12-19 Academic expertise is essential But have you ever wondered how it itself is spiritually formative This book coming from an interdisciplinary assortment of scholars shows how the exegetical methods of Theological Interpretation of Scripture TIS are themselves spiritually formative This book provides a diverse collection of essays that focus on theological interpretative methods that result in a unique transformational experience not achieved through historical critical or grammatical historical approaches alone Renowned thinkers such as biblical scholar Ben Witherington III historical theologian Mark Elliott and theologian Arthur Sutherland offer new works that explore how reading theologically can transform theology cultures and individuals These new studies focus on the theological exegesis of such thinkers as Mother Teresa Thomas Aquinas Ignatius of Antioch and Clement of Alexandria The collection also includes several important and timely pieces that show how theological interpretation leads to moral formation within diverse cultural groups including African American and Latinx communities

The Interpreting Spirit Hannah R. K. Mather, 2020-10-08 The Interpreting Spirit is both a consideration of the Spirit s role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit s role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting hallmarks into a collective understanding Pivotal to Mather s argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation **The Idea of the Spiritual Interpretation of Scripture** Zenas Bliss, 1843

The Written Word; Or The Contents and Interpretation of Holy Scripture Briefly Considered Samuel Gosnell Green, 1871

A compendious introduction to the study of the Bible, an analysis of 'An introduction to the critical study and knowledge of the holy Scriptures'. Thomas Hartwell Horne, 1833 *The Letter and Spirit of Biblical Interpretation* Keith D.

Stanglin,2018-08-21 For the better part of fifteen centuries Christians read Scripture on two complementary levels the literal and the spiritual In the modern period the spiritual sense gradually became marginalized in favor of the literal sense The Bible came to be read and interpreted like any other book This brief accessible introduction to the history of biblical interpretation examines key turning points and figures and argues for a retrieval of the premodern spiritual habits of reading Scripture *A Compendious Introduction to the Study of the Bible* Thomas Hartwell Horne,1837 **Interpreting**

Scripture with the Great Tradition Craig A. Carter,2018-04-17 The rise of modernity especially the European Enlightenment and its aftermath has negatively impacted the way we understand the nature and interpretation of Christian Scripture In this introduction to biblical interpretation Craig Carter evaluates the problems of post Enlightenment hermeneutics and offers an alternative approach exegesis in harmony with the Great Tradition Carter argues for the validity of patristic christological exegesis showing that we must recover the Nicene theological tradition as the context for contemporary exegesis and seeks to root both the nature and interpretation of Scripture firmly in trinitarian orthodoxy

Interpretation of the Scriptures Arthur W. Pink,2002-09 Man is notoriously a creature of extremes and nowhere is that fact more evident than in the attitude taken by different ones to this subject Whereas some have affirmed the Bible is written in such simple language that it calls for no explaining a far greater number have suffered the papists to persuade them that its contents are so far above the grasp of the natural intellect its subjects so profound and exalted its language so abstruse and ambiguous that the common man is quite incapable of understanding it by his own efforts and therefore that it is the part of wisdom for him to submit his judgment to holy mother church who brazenly claims to be the only Divinely authorized and qualified interpreter of God s oracles Thus does the Papacy withhold God s Word from the laity and impose her own dogmas and superstitions upon them For the most part the laity are quite content to have it so for thereby they are relieved of searching the Scriptures for themselves Nor is it much better with many Protestants for in most cases they are too indolent to study the Bible for themselves and believe only what they hear from the pulpits Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan like teachings Though born to Christian parents prior to conversion he migrated into a Theosophical society an occult gnostic group popular in England during that time and quickly rose in prominence within their ranks His conversion came from his father s patient admonitions from Scripture It was the verse Proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus **A**
