**The Appointed Time** Zachary D. Ball,2024-07-23 The book of Daniel is a difficult study for even the eager Bible student but its importance to the evangelical church is indisputable especially regarding eschatology Many times its content is randomly selected to formulate man made narratives about the end times that create confusion and misinformation in the church How to read Daniel is essential for understanding its theological power especially its predictive prophecy This project will demonstrate its past fulfillments its influence on Jesus first century attempts to save Israel and how it has been manipulated to assert false eschatological predictions Understanding Daniel s appointed time is crucial to its message
