World Series Macbook Review:

The Best Pitcher in Baseball Robert C. Cottrell, 2001-12 When Rube Foster was inducted into the National Baseball Hall of Fame in 1981 his rightful place alongside baseball's greatest black heroes was at last firmly established. A world class pitcher, a formidable manager, and a brilliant administrator, Rube Foster was arguably more influential in breaking down the color barrier in major league baseball than the venerable Jackie Robinson. Born in 1879, Rube Foster pitched for the legendary black baseball team, the Cuban X Giants, and the Philadelphia Giants, before becoming player manager of the Leland Giants and the Chicago American Giants. Long a central figure in black baseball, he founded baseball's first black league, the Negro National League, in 1920. From its inception, the Negro League served as a vehicle through which many of the finest black players could showcase their considerable talents. Challenging racial discrimination and stereotypes, it ultimately set the stage for future efforts to contest Jim Crow. Despite the long-standing success of the Negro National League as an influential black institution, Rube Foster was deeply embittered by organized baseball's unmitigated refusal to lift the color barrier. He died a broken man in 1930. The Best Pitcher in Baseball is the story of a man of unparalleled vision and organizational acumen whose passion for justice changed the face of baseball forever. It is a moving tribute to a man and his dream. *Media Review Digest*, C.
