E-marketing Judy Strauss, Adel I. Ansary, Raymond Frost, 2006 This best selling book is unique in that it parallels the organization of an introductory marketing textbook but it explores key marketing concepts in the context of today's digital Internet environment It fills the gap for those who have found Internet Marketing books suffer from too much E and not

enough marketing or are too narrowly or technically focused on e-commerce. A five-part organization covers e-marketing in context, e-marketing environment, e-marketing strategy, e-marketing management, and a global perspective on e-marketing. Special topics include competitive strategies, e-marketing strategy development, marketing planning, and performance metrics, and coverage of cutting-edge strategies beyond the Web, m-marketing, mobile, databases, and analysis techniques, point of purchase, scanning, and more. For an e-understanding of marketing and business.

Data-driven travel marketing Jacqueline Schmittem, 2021-01-04. A dynamic business environment, various digital marketing tools, and the power of data are main challenges travel companies have to face. Up-to-dateness and flexibility are crucial for increasing competitiveness and surviving in the jungle of travel firms. But how can these challenges be managed? With a holistic view, business intelligence enhances data-driven decision making, addresses challenges, and brings firms to the next level. By combining data technologies with affiliate marketing, this book develops a data-driven concept for enhanced decision making in affiliate travel marketing. Jacqueline Schmittem is a graduate from CBS International Business School, working as a Performance Marketing Manager, Digital Marketing Consultant.

Marketing Management Michael R. Czinkota, Masaaki Kotabe, Demetris Vrontis, S. M. Riad Shams, 2021-08-24. This textbook provides students with comprehensive insights on the classical and contemporary marketing theories and their practical implications. A fourth revised edition of Marketing Management, the text features new classical and contemporary cases, new interdisciplinary and cross-functional implications of business management theories, contemporary marketing management principles, and futuristic application of marketing management theories and concepts. The core and complex issues are presented in a simplified manner, providing students with a stimulating learning experience that enables critical thinking, understanding, and future application. Each chapter features a chapter summary, key terms review, and discussion questions, and a practice quiz. Throughout the text, there are also specific teaching features to provide students and instructors with an enhanced pedagogical experience. These features include The Manager's Corner. These sections provide real-world examples that instructors may highlight to exemplify theory or as mini-cases for discussion. Marketing in Action. These sections ask students to apply concepts and theories to actual business situations. Web Exercises. These mini-sections provide students with real-world issues and suggest websites for more information. In addition, the authors provide ancillary lecture notes and Solution Instructors manual online to aid instructors in their teaching activities.

Digital Marketing Technologies Hashem Aghazadeh, Mozhdé Khoshnevis, 2024-04-19. This book argues that digital marketing should benefit from emerging technologies to result in sustainable competitive values for businesses in both the digital and physical worlds. It not only explores digital marketing fundamentals, analysis, strategy, practices, and implementation, but also explains the applications and relationships of marketing technologies (martechs) with digital marketing, as well as offers several real cases of practicing marketing technologies. It carefully describes how modern businesses offer their value propositions, both digitally and

physically applying emerging technologies specifically marketing technologies martechs and how consumers are using these new technologies particularly artificial intelligence ChatGPT OpenAI It investigates why consumers are so intrigued and interested in digital relationships interaction and shopping experiences It critically examines and argues that digital marketing has become popular among businesses as they are attempting to serve their customers better by taking advantage of using digital marketing technologies marketchs
