## **Dynamo Magician Nothing Is Impossible:**

**Nothing is Impossible** Dynamo,2012 When you re a kid life can seem tough and tougher for some than others But the darkest of times can be the most enlightening and in the case of Steven Frayne from a rundown estate in Bradford this couldn t be truer When his late granddad showed him magic for the first time Steven knew there was more to life than hiding from bullies He had a destiny A calling In that moment Dynamo was born the most exciting magician of the 21st century Since then Dynamo has shocked thrilled and amazed men women and children from all walks of life all over the world With his mind blowing illusions he has catalyzed a whole new era of magic Now in his very first book Dynamo invites you to join him on a breathtaking journey across the globe Be prepared to levitate Lindsay Lohan in Singapore transform snow into diamonds in the Austrian mountains and walk on water across the River Thames Along the way he reveals how to make the impossible possible what it takes to pull off the greatest stunts man has seen and why everyone needs magic in their lives This is no illusion This is the real story of awe inspiring Dynamo

**Revelations** Brian Rappert,2024-12-16 From tabloid headlines to scientific discoveries to investigative documentaries the claim that truth is being revealed is commonplace today Such attention grabbing claims can conjure allure sell products launch careers cement authority and much more besides And yet despite the familiarity of revelation talk this notion has been subject to limited academic theorizing to date outside of matters divine Revelations sets out to examine how the making available through revealing is accomplished as well as the implications of revealing In other words it is concerned with how revelations are realized and what is realized through them Central to the argument will be treating attempts to make available as processes that can entail mix that is as processes that combine treating truth as publicly demonstrable but also as beyond simple verification as alternately intelligible but also as unknowable In taking the pervasive appeal to revealing as its topic and through drawing inspiration from a range of disciplines this book should appeal to a variety of audiences including those interested in secrecy conspiracy expertise celebrity science and technology

**Performing Deception** Brian Rappert,2022-05-27 In Performing Deception Brian Rappert reconstructs the practice of entertainment magic by analysing it through the lens of perception deception and learning as he goes about studying conjuring himself Through this novel meditation on reasoning and skill Rappert elevates magic from the undertaking of mere trickery to an art that offers the basis for rethinking our possibilities for acting in the modern world Performing Deception covers a wide range of theories in sociology philosophy psychology and elsewhere in order to offer a striking assessment of the way secrecy and deception are woven into social interactions as well as the illusionary and paradoxical status of expertise
