## **At Home Aqf:**

*China's White-Collar Wave* Changyun Jiang, Qun Lian Hong, Ling Qiu, 2019-11-04 This book explores the move from manufacturing towards service industry jobs in China's economic development during the 12th Five Year Plan period. The service industry now makes up the highest proportion of the GDP and employs the largest number of people in China. In the next Five Year Plan period it is necessary to actively push forward the strategic transformation by placing emphasis on the service industry to press ahead with system and mechanism reforms and policy innovations and cultivate diverse sustainable and continuous forces for driving its growth. Efforts are made to upgrade the service industry to better achieve economic and social development in an innovative, coordinated, green, open, and shared way. This book will be of interest to scholars researching China's future.

*Strategic Leadership of Change in Higher Education* Stephanie Marshall, 2025-06-25 The fully updated third edition of *Strategic Leadership of Change in Higher Education* provides a clear overview of the basic principles of effective leadership and management of change and assists strategic leaders to better contextualise both globally and more locally the external environment in which they are operating. It provides case studies and stories from exemplary globally strategic leaders who have led their universities through the complexities of the pandemic, have come out the other side stronger and more resilient, and who continue to adapt. This third edition has been updated with consideration of the significant changes in global factors including the pandemic. It reflects on the ways in which the pandemic was a watershed moment for higher education institutions, reassesses the environment in which universities operate today, facing demanding higher education policy and regulation, tough financial circumstances, and unabating technological developments. It re-examines the insights and initiatives from the second edition, asking how changes in our collective conscience and knowledge are reflected in our ways of working and execution of change. Includes a concluding 'Looking Forward' section integrating and distilling the diverse approaches of successful leaders, offering narratives on how to navigate the rapidly changing landscape with reflective action. This key title is crucial reading for all those involved in leadership and management positions in higher education. With an emphasis on principles of strategic and contextual thinking and problem solving alongside a strong commitment to shared values as key ingredients to the success of strategic leaders, this book provides expert commentary and global insights. This cutting edge text will continue to provide higher education leaders and managers with insights against which to benchmark their approaches, supporting them to stay ahead of the curve.
