Torrance in Recollection and Reappraisal** Bruce Ritchie, 2021-01-19 This is perhaps the most engaging and readable introduction to T. F. Torrance's theology around The author writes from the perspective of having been a student in Torrance's theology class in Edinburgh when Torrance was at the height of his powers painting a fascinating picture of Torrance in action as a teacher The book sets Torrance's theology in context by placing it in relation to liberal Protestantism on the one hand and traditional Calvinism on the other It explores Torrance's methodology it offers insights on how he linked incarnation and atonement and it also suggests how some of Torrance's ideas may be extended in order to result in an even more integrated and cohesive theology This book is a must not only for Torrance readers but for all lovers of theology

Athanasius on the Incarnation, ed. for the use of students, with notes by A. Robertson* Athanasius (st.), 1882 **On the Incarnation** Saint Athanasius, 2011-01-25 ATHANASIUS wrote some of the first classic works of developed Orthodox theology in existence opposing Pagan practices and beliefs while teaching about the spiritual redemption of mankind through God's Word Also Athanasius backs up the Bible that the Son of God the eternal Word through whom God created the world entered that world in human form to lead men back into the harmony with their Creator from which they had earlier fallen away C. S. Lewis wrote an introduction to this book and called it a masterpiece

De Incarnatione Verbi Dei Saint Athanasius (Patriarch of Alexandria), 1903 *On the Incarnation* Saint Athanasius of Alexandria, 2016-04-05 Two names stand above all others in the history of the early Christian church Augustine and Athanasius The former was from the West and contended for the doctrine of grace against Roman moralism while the latter came from the East and became a champion of orthodoxy against Arian attacks on the doctrine of the Trinity On the Incarnation was Athanasius's second apologetic work and in it he defends the Christian faith and tries to convince Jews and Greeks that Jesus was not a prophet or teacher but the Christ the divine incarnation of God's Word You may find yourself reading Athanasius and thinking that the divine incarnation of Jesus is an obvious point only to realize that at some point it wasn't so obvious Three hundred years after Jesus ascended to heaven the Council of Nicaea was still trying to figure out exactly who Jesus was Through his presence at the Council of Nicaea as an assistant to Alexander and his work in this writing Athanasius helped early Christianity indeed all Christianity to understand something more of the mystery of our faith God

was manifested in the flesh All Christians directly or indirectly have been influenced by Athanasius because of his foundational insistence of who Jesus is There is perhaps no other Christian writing in which the coming of our Savior is proclaimed so clearly as the way of victory over death Thanks to Athanasius and so many other early Christian thinkers we have a firmer footing in our own exploration and understanding of who God is and how He works **On The Incarnation** Athanasius of Alexandria,2021-02-26 *St. Athanasius On the Incarnation* Athanasius,1953 Athanasius De Incarnatione St Athanasius On the Incarnation Tr by A Robertson [St. Athanasius on the Incarnation; the Treatise De Incarnatione Verbi Dei.](#) Translated and Edited by a Religious of C.S.M.V.
