 - was issued after 1/7/2000, and
 - was issued in your current name, date of birth and sex.

Lodgement, payment and validity

You must provide the passport that matches the number printed on the top of page 2 of this form with your application. If you are renewing your passport in Australia, you should lodge your renewal application in person at an Australia Post outlet (you may need to phone to make an appointment). If you are renewing your passport overseas, please contact your nearest Australian mission for advice on lodging your application.

Preferred methods of payment in Australia are EFTPOS, Mastercard, Visa or cash (cheques are not accepted). If applying overseas, check with the nearest Australian mission for details of the current fee and acceptable methods and currency of payment.

The Passports Office is committed to issuing a travel document within ten working days. This timeframe excludes the time taken for the Passport Office to receive the application and the time taken to deliver the document from the Passport Office to the applicant. If you require a two working day turnaround, ask about the priority processing service. An additional fee applies.

An adult passport is normally valid for 10 years.

A seniors' passport (available to those aged 75 or over) is valid for 5 years; a lower fee applies.

If your passport has been lost or stolen

If your current or recently expired passport has been lost or stolen, you will need to complete an **Application for Australian Passport: Adult** form to replace it. All lost and stolen travel documents should be reported immediately, regardless of whether you wish to replace the travel document or not. Contact the Australian Passport Information Service on 131 232 or your nearest overseas mission if this occurs whilst overseas.

NOTE

Further details about DFAT's rights, obligations and policies in relation to obtaining and disclosing information are available in the **Passports Privacy** brochure or at www.passports.gov.au

Photograph requirements

You must provide two identical colour photographs of yourself. The photos must:

- be no more than six months old, have appropriate brightness and contrast, and show your skin tones naturally
- be between 35mm and 40mm in width, and between 45mm and 50mm in height, be of good quality colour and on high quality paper, with no ink or marks on the image
- be in sharp focus and clear
- be of your head and top of your shoulders and show your shoulders square on (not portrait style with you looking over one shoulder) and show your face square on (both edges of the face should be visible)
- show you looking straight at the camera, and your head not tilted
- be taken with a neutral expression (not laughing or frowning) with your mouth closed
- be close up, so that the head takes up between 32mm and 36mm of the photo (see diagram at section 5 over the page)
- have a plain, light-coloured background and be taken with uniform lighting (no shadows across the face)
- show your eyes open and clearly visible, and no hair in your eyes
- show your eyes clearly through glasses—if you wear them—with no flash reflection off the glasses, and no tinted lenses (if possible, avoid heavy glasses frames—wear lighter framed glasses if you have them)
- show you without any hat or other head covering (if you wear a head covering for religious reasons, we will accept a photograph of you wearing it, but your facial features from bottom of chin to top of forehead and both edges of your face must be clearly shown).

Note: due to security printing requirements, images reproduced in passports will not be photographic quality and will appear different from the photographs supplied.
