Emily Mroczek, 2022-05-09 *Online Instruction A Practical Guide for Librarians* provides an overview of online instruction teaching and programming in all types of libraries. It features actionable steps for starting and improving online programs. Starting with the history of online instruction and moving into creating a personal pedagogy, establishing organizational policies and procedures, and tips for general programming, author Emily Mroczek features specific examples from librarians to help readers find their way in the digital world. Public librarians, school librarians, and special librarians are featured with experiences and tips that can be modified and applied to any library setting. Ideas exist to help librarians learn from successes and mistakes and establish an engaged and productive online learning community. Mroczek identifies the pros and cons of different options available for online instructions, tips and tricks for engaging various audiences, and strategies for hybrid learning. Technical tips include pros and cons of various online platforms and streaming services, an in-depth look at Zoom, and a guide to evaluate and recommend specific digital resources in categories from content curation to games to calendars and scheduling. Guidelines for navigating copyright law and staying up to date with accessibility standards serve as an educational starting point for librarians, managers, and program designers. As technology, online instruction, and librarianship continue to evolve, this book will help librarians navigate the ever-changing functions and offer better instruction for their communities.

Southern Fried and Horrified Ronald Kelly, 2022-09-06 In *Southern Fried Horrified Splatterpunk*, award-winning author Ronald Kelly expounds on a lifetime shaped by his love of horror and the macabre, as well as a thirty-six year career as a Southern storyteller. His early influences, the long road to publication success as a Zebra Horror author, the devastating collapse of mass market publishing in the mid-1990s, and his ten-year hiatus from writing and horror, it is all here between two covers, as well as his triumphant return to the genre and a fresh new resurgence of his creativity and popularity. Sprinkled generously throughout are essays, writing advice, and lists of Kelly's favorite books and movies, as well as his most cherished heroes, villains, and creatures from the RK mythos. Hunter Shea, author of *Creature and To the Devil A Cryptid* says, "This will sit on my shelf right next to King's *On Writing*, a treasure to be rediscovered over and over."

Reference and Information Services Melissa A. Wong, Laura Saunders, 2020-05-04 This revised and updated sixth edition of *Reference and Information Services* continues the book's rich tradition, covering all phases of reference and information services with less emphasis on print and more emphasis on strategies and scenarios. *Reference and Information Services* is the go-to textbook for MSLIS and iSchool courses on reference services and related topics. It is also a helpful handbook for practitioners. Authors include LIS faculty and professionals who have relevant degrees in their areas and who have published extensively on their topics. The first half of the book provides an overview of reference services and techniques for service provision, including the reference interview, ethics, instruction, reader's advisory, and services to diverse populations, including children. This part of the book establishes a foundation of knowledge on reference service and frames each topic with ethical and social justice perspectives. The second part of the book offers an overview of the information life

cycle and dissemination of information followed by an in depth examination of information sources by type including dictionaries encyclopedias indexes and abstracts as well as by broad subject areas including government statistics and data health and legal information This second section introduces the tools and resources that reference professionals use to provide the services described in the first half of the text
