GIRLS® Freya India, 2026-02-26 Anyone who cares about the girls and young women in their lives should read GIRLS Jonathan Haidt author of *The Anxious Generation* GIRLS Gen Z and the Commodification of Everything is a passionate provocative and deeply personal journey into the pressures shaping young lives today Freya India shows that age old anxieties of girlhood are now being amplified by modern life and exploited like never before While previous generations of women were relentlessly sold products and procedures we have become the product We display our lives on Instagram advertise ourselves on dating apps and package ourselves into personal brands making anxiety feel overwhelming and unmanageable We have transformed from girls into GIRLS from people into products Each chapter of GIRLS focuses on a common anxiety in adolescent girls lives from insecurities about our faces and bodies to

our reputation and social status to our friendships and romantic relationships Along the way India traces how rapidly culture and technology have evolved over the past decade This isn't just a book for girls For young women it offers a nostalgic if unsettling reflection on the world they've grown up in and reassurance that they're not alone in their struggles For younger girls it provides context for where these challenges began and warns where they might be headed And for parents teachers and older generations it serves as a reminder that these issues have never been so intense **GIRLS** concludes with a message of hope reminding readers how to reclaim their privacy defend their dignity and above all return to being people instead of products

THE HUMAN GAME Rachan, 2026-01-08 You're playing a game you never agreed to join One where your starting position was decided before you took your first breath And the rules They're hidden in plain sight whispered in family networks enforced by algorithms and repeated across generations in Bangkok boardrooms Mumbai startups Singapore banks and Kuala Lumpur trading floors Most people lose quietly grinding harder while connected players advance effortlessly chasing money and status only to feel empty at the top drowning in noise while real opportunities slip away sacrificing truth for belonging in tribes that demand conformity **The Human Game Operating Without Illusion** promises something different not another hustle manifesto or mindset trick but a clear-eyed blueprint to see the mechanics that actually shape outcomes define your private win condition of autonomy coherence and meaning build high trust alliances that multiply leverage and turn time's exponential engine in your favor all while navigating Asia's intense hierarchies family obligations and digital pressures with calm mastery Written by Rachan an observer who has lived and worked across Thailand India Malaysia Singapore Indonesia and Vietnam this book distills structural truths from real streets and real lives not abstract theory but patterns seen in night markets corporate towers hawker stalls and quiet family dinners If you're tired of feeling life is somehow rigged despite your effort intelligence and good intentions If you sense there's a clearer freer way to move through the noise This is your map Stop reacting Start playing without illusion
