EASYUNI Ultimate University Guide 2013 easyuni sdn bhd,2013-12-26 With this Guide we've stayed committed to our vision of improving the way students and parents choose universities and courses. We have been doing this right from the beginning through our website www.easyuni.com. With a magazine like this we have broadened the horizons of our exposure to more readers, be they students or parents who still find accessing online information somewhat challenging. For us, higher education should be accessible to all. Through this Guide we are able to disseminate information on the choices available to all our readers on everything they need to know in selecting a university of their choice to further enhance their education. Similar to our online portal, easyuni Ultimate University Guide 2013 Issue 2 has a lot to share. Flip through the pages and you will be impressed by the amount of details that we have gathered for you in just one issue: tips, advice, interview with star students, and more. What's more, we plan to publish this Guide on a quarterly basis and can't wait to give you more.

Getting Into Oxford and Cambridge 2025 Entry Mat Carmody,2024-03-08 The ultimate guide to securing a place at one of the most prestigious universities in the world. Now in its 27th edition, *Getting into Oxford and Cambridge* is packed with detailed advice and up-to-date information to help you prepare a strong university application and win one of the fiercely sought-after places at Oxbridge. It will also give you vital insights into what it's really like to study there. This practical and comprehensive book will lead you through every stage of the process, including full profiles of each college and tips on choosing the best one for you. Useful advice on the early preparation you can do to gain a head start. Invaluable guidance on writing an effective UCAS personal statement for Oxbridge. Full details of the written tests you will face prior to or during the interviews. Information on what to expect at interview and tips on how to shine. Case studies and sample personal statements from successful Oxbridge applicants. MPW Guides explain the complex procedures for getting into higher education. Written by acknowledged experts in a clear and concise format, they go beyond the official publications to give would-be students straightforward practical advice on how to secure a place on a course of their choice. *The Virgin Guide to British Universities 2012* Piers Dudgeon,2012-06-30 *The Virgin 2012 Guide to British Universities* is the only university guide to offer a uniquely student's eye view of what it's like to study at a particular university. As well as hard facts and practical information on every UK university, such as official ratings for teaching, statistics on where graduates end up and employment prospects by subject, the guide is also packed with useful information such as what the social scene is like, how much living costs are likely to be, and what the student profile at a particular university is really like. With a comprehensive entry on every UK university, *The Virgin Guide to British Universities* contains all the information and advice potential undergraduates will need to choose the best university for them. *University Rankings, Diversity, and the New Landscape of Higher Education*,2019-02-18 University rankings are a relatively new phenomenon in higher education. Although quite an established practice in the U.S., it is only within the last decade that attempts to analyse university performance have spread to the rest of the

world and that we also have seen new global rankings appear rankings attempting to measure university performance beyond national borders No wonder that this trend is accompanied by a growing interest in studying rankings throughout the world This book is written as part of the effort to better understand rankings and their effects on higher education A serious approach towards university rankings implies that rankings should be analysed properly including the methods used and the indicators chosen and investigate the objectives claimed If university rankings are considered as consumer information then everyone should have an interest in basing such guidance on valid and reliable data and methodology A serious analysis should also discuss the wider implications of rankings as an emerging phenomenon in higher education Consequently the contributions to this book investigate and analyse how different rankings work how they reach their conclusions and on what data and methodology they are built Furthermore it provides a critical reflection about the impact of rankings on higher education how and in what way rankings influence policy making the structure of the sector or the internal life of the sector
