Supporting Online Students Anita Crawley, 2012-01-31 *Supporting Online Students* shows how effectively and efficiently delivered support services improve academic success and course retention for online learners. Drawing on a decade's worth of research, Anita Crawley describes the scope of services from admissions and registration to advising and student engagement. The book includes guidelines and standards, planning and implementation, innovative practices, and describes specialized services needed by particular online student groups. Effective student support is the single most important factor in sustaining high-quality online learning programs. Anita Crawley presents the most effective guide to achieving that success. Her book is a blueprint for building thriving online programs through comprehensive student support. Ray Schroeder, director, Center for Online Learning Research and Service, University of Illinois Springfield. As distance learning continues to grow, this book addresses the often-neglected other side of the coin: online student services. This book provides a great introduction and overview of the research literature and innovative practices for planning, implementing, and evaluating support services for online learners. George Steele, director, eStudent Services, OhioLearns. Anita Crawley has crafted a splendid volume on a topic of increasing importance in contemporary higher education. Her book promises to be the foundational piece for those who work with students in an online environment. Her thinking and analysis are superb and undoubtedly will provide the basis upon which to develop online programs and services in the future. John H. Schuh, Distinguished Professor of Educational Leadership and Policy Studies, Emeritus, Iowa State University. Bringing together extensive examples of innovative practices, summaries of current research, and a wealth of experience in student services, Anita Crawley's comprehensive guide to supporting online students is a rich resource for institutions with existing, growing, or new online programs. Diane J. Goldsmith, former executive director, Connecticut Distance Learning Consortium. [MBA Programs 2010](#) Peterson's, 2010-06-15. Peterson's *MBA Programs* provides comprehensive profiles of up-to-date information on full-time, part-time, joint-degree, Executive MBA, and online graduate programs at more than 1,000 institutions, including degrees comparable or equivalent to an MBA. A wealth of facts and figures on admission and degree requirements, entrance difficulty, postgraduate hiring rates, financial aid, and contact information for approximately 4,000 graduate-level business programs are all available within Peterson's guide. It contains informative articles such as how an MBA can advance a career, how to choose the right program and pay for it, the advantages of getting your advanced business degree abroad, information on the latest hiring and salary trends, and application tips, including guidance on how to write a winning essay. Profiles of institutions are listed alphabetically within state, province, or country, with all the fast facts an applicant needs, plus two-page narrative descriptions which contain even more in-depth information on schools.
