**Michael Hoelscher**

## **Math Worksheet Morning Routine How To:**

Helping Families of Youth with School Attendance Problems Christopher A. Kearney, 2019-07-15 School attendance problems even in mild forms are a significant risk factor for social behavioral and academic problems in childhood and adolescence These cases tend to be urgent and complex in nature with problems that manifest both at home and at school As such mental health and school based professionals need practical and efficient strategies to resolve school attendance problems Helping Families of Youth with School Attendance Problems is a real world guide to addressing school attendance problems at different levels of severity and complexity The book offers specific procedures for many types of cases to address these problems in a relatively short period of time and within the constraints of most private practice and school settings The text also considers developmental level with distinct coverage of elementary school children as well as adolescents in middle school and in high school The book consists of seven empirically supported chapters that guide readers through assessment consultation and intervention processes Given the limited timeframe frequently faced by mental health and school based professionals these processes are often blended Beginning with an overview of school attendance problems the heart of the book offers core intervention components as well as other procedures to enhance the effectiveness of these components These components cover key aspects of anxiety and contingency management school reintegration and school engagement as well as suggestions for many specific scenarios The final chapter focuses on chronic and severe school attendance problems and other highly challenging scenarios common to these young people Helping Families of Youth with School Attendance Problems is a must have resource for mental health and school based professionals alike as well as for others who regularly engage with this population
