**Forex Beginners Guide to High Profit Trading** Joseph Dinero, Becoming an elite investor and trader is not as daunting as one would think The useful information in this book is for beginners that have no practical knowledge of high profit Forex trading and need a place to start where all of the information they need is all in one place Brand new investors and traders can read it all at one time so they can fast track and cut down their long learning curve The method described in this book is how the actual market really works not some illusion of fantasy that is taught in most training courses If you are a brand new trading beginner this should be the first book you read not the tenth You ll be glad you did and so will your trading account as you watch it grow The content is just for beginners and is comprehensive enough to get you started and tells the beginner retail investor and trader what it takes to become consistently profitable right away from the currency markets In less than 150 pages you can be on your way to knowing what it takes to make real money in the live markets By the time you are done reading this book you will know exactly what it will take for you to become consistently highly profitable as a beginner Forex investor or trader and how to learn and utilize the easiest to learn most effective trading money making method right away

**How to do Set it and Forget it Day Trading** Ricardo Calca, Brand new day traders will love this book because it tells them the information they need to be able to have a low stress easy way of investing and trading the financial markets if they have zero or very limited experience The set it and forget it way of day trading swing trading or position trading is the easiest fastest and most low stress way of investing and trading there is for making high profits in today s fast moving markets if you are a beginner with limited experience With this type of supply and demand set it and forget it investing and trading once you learn it and master it you can be confident of setting your order in the live market and then taking your hand off the mouse and letting the market do all of the dirty work for you It doesn t get any easier than that If you are brand new to day trading and investing and are looking for a method which will allow you to learn the easiest and fastest way to begin making consistent high profits right away then I encourage you to learn this method first as it will be the only method of trading you will need to use to make high profits consistently forever once you have learned and mastered the principles of supply and demand Set it and forget it trading is the only way to have a truly hands off method of trading and investing where you can feel confident that you are making money with the smart money and letting them show you the way to high profits Once you learn to see the smart money value areas on a price chart you can set your order in the market where the smart money has there s at then just wait to get paid No stress no drama just making money Isn t that the way you would like to make money You can get on the fast track to the knowledge you need with the information in this book I encourage you to do what it says and to be diligent in your studies This is some of the most important information you will read in your life as far as knowing what to do in the live market to win Do you want to lose money right away or make money right away You should take your time reading this book and read the entire book before

you start your research into the education and training phase of set it and forget it trading Do it the right way from the start on your first day and you should have no problem Take your time the market is always going to be there waiting to pay you You can take that to the bank

**Beginners Swing Trading Guide for Short Term Income** Josef Moni, Becoming a self directed investor and trader is a daunting task for those who start off with the wrong information and can take many years If you are an advanced trader looking for something new I would not suggest this book as it will be very elementary for you If you are indeed a brand new beginner who is looking to get into financial market trading and don t know where to start or have any information the information in this book can greatly help you to reduce the long learning curve there is to becoming consistently profitable on a daily basis if you are a day trader If you are new to the concept of trading you will find this book easy to understand All of the information you actually really need is all here in one place in this book in less than 100 pages It is up to you to follow up and get the learning done and the practice in that s on you Industry jargon has been kept to a minimum there is a glossary of abbreviations at the end to help the new beginners pick up market speak and some extra links and a bonus section to further your knowledge Whether you are a beginner or expert trader you can never get enough information on mindset and successful strategies of trading That is one mistake brand new traders make is that they try to learn everything thinking there is some magical system that is going to make them money without doing anything for it This book tells you about the easiest system there is to learn for a beginner and it is how the market actually really works Isn t that what you want to know to make money as a self directed investor and trader Knowledge becomes power when you use it properly and the knowledge you will gain from this short book can give you a lifelong skill to make money from anywhere in the world you want to be 24 hours a day virtually 7 days a week as long as there is WI FI there you can be making an unlimited income

Beginning Investor & Traders Black Book Joe DiChristophoro, I wrote this Black book for all beginning aspiring investors and traders who are just getting their head around doing the investing and trading business Everyone has their own ideas of what they think investing and trading are and what it can do for them Beginning Investor Traders Black Book is the first book in my series of books for beginners I have coming out that will detail all of the things that a brand new trader must learn not to do before they can become consistently profitable in the live markets Brand new traders all make the same mistakes over and over because they don t know any better They do what everyone else is doing and study what everyone else is studying thus they have the same results and failures as everyone else Don t be that trader If you can just take the time to read this information in this first book in the new upcoming series let it sink in and then continue on your educational journey you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in this business If you just think about what this book is telling you to do logically and what to study you can soon be driving your re new Ferrari down the road paved of gold right to the front door of your bank to deposit all of your profits from the success from your new investing and trading business By the time you have read this entire book you will know just what it takes to
