Hey [REDACTED],

Understood regarding the loan situation. It's crucial that the arrangement with [REDACTED] is properly documented as a loan. A formal promissory note with repayment terms, including interest, should be in place. This is what differentiates a loan from a gift in the IRS's eyes.

Ensure all loan features are clear and the agreement is signed by both parties. Remember to include any interest income on your tax returns.

Despite IRS resource issues, proper documentation is key. If [REDACTED] has doubts, a consultation with a tax advisor could be very reassuring.

Best,
