*Snap Shots*, 1927 *Theological Discourses on Social Media* Christopher B. Barnett, Clark J. Elliston, Trevor B. Williams, 2025-08-29 *Theological Discourses on Social Media* will examine ten different social media platforms across three overarching parts. The task throughout is first to delineate the configuration and intent of a given form of social media and second to probe its implications for theology. On the whole, the volume will focus on the Judeo-Christian tradition though dialogue with and insight from other religious traditions will also be featured. The upshot will be a unique theological engagement with the defining issue of our era, a work that will be as relevant as it will be engrossing. Featuring contributions from leading scholars, it will be a must-read for all students of theology, religion, and media and cultural studies. **Things Have Changed** David Magee, 2023-08-08 Written with a parent's passion and empathy, *Things Have Changed* offers a clear road map for navigating painful struggles that many modern children and students face, including mental health issues, substance abuse, and more. Now more than ever, parents and educators need better information about the challenges facing their children, what sorts of issues to expect, and when and the warning signs to look for.
