1,260 Days Craig Conte,2012-08 1 260 Days is a journey to a foreign land a detour called a shortcut in a cab It s riding on a night train in a warm sweat as you hear the choo choo chuggen down the tracks It s a vision in a restless dream a nightmare with a bloody scene a demon putting thoughts into your head 1 260 Days is about the man in black It s about a work shift It s about a suicidal note It s the unheard music It s a forty day fast It s a severed artery It s an itchy rash 1 260 Days is a holy book It s a trumpet being blown upon a hill It s a paradox It s a riddle It s a jest It s hope It s change It s woe It s greed It s me It s you It s them It s us 1 260 Days is about the end of the world I found myself alternately astounded intrigued and ultimately jealous of Enoch whose adventures on a daily basis made my own life seem small and mundane by comparison Rich Marotta KFI Radio Inducted 2011 Southern California Sportscasters Hall of Fame Brilliant manure vres of narrative wreaking havoc upon accepted norms Tortelvis of Dread Zeppelin An honest and straightforward book one man s experiment with disgrace takes on an aura of supernaturally experienced grace Easy on the ear and steering clear of massaging his own story telling of an awfully curious humanity Conte gives a read hell bent on making us experience the nit and grit of rubbing up against the taboos binding human pleasure Scott Hartstein Author of Adagia **Truth Beat** Brenda Buchanan,2016-02-01 A newspaper reporter struggles with unreliable sources while covering two explosive stories the apparent murder of a priest who stood up to his church and a spate of increasingly destructive bombings Shock waves reverberate through tight knit Riverside Maine when an outspoken priest is found dead After writing Father Patrick Doherty s obituary Portland Daily Chronicle reporter Joe Gale learns that the good Father didn t die in the garden where his body was found the cops say it was murder and the killer went to great pains to cover it up Friends and parishioners tell Joe that Patrick was sincere and selfless But a vocal gang of rabble rousers claim he was corrupt Joe is nowhere near cracking the case when a second crisis threatens to tear Riverside apart a poorly constructed bomb detonates near the local high school On the eve of Patrick s wake the police imply the dead priest was involved in criminal activity prior to his death And as Joe races to sort truth from rumor his two big stories collide putting him in mortal danger 83 000 words *USA Today Index* ,1996 Congressional Record United States. Congress,1996 The Michigan Journal ,2012 *Love, Greg & Lauren* Greg Manning,2002-03-05 Early on the morning of September 11 2001 Lauren Manning a wife the mother of a ten month old son and a senior vice president and partner at Cantor Fitzgerald came to work as always at One World Trade Center As she stepped into the lobby a fireball exploded from the elevator shaft and in that split second her life was changed forever Lauren was burned over 82 5 percent of her body As he watched his wife lie in a drug induced coma in the ICU of the Burn Center at New York Presbyterian Hospital Greg Manning began writing a daily journal In the form of e mails to family friends and colleagues he recorded Lauren s harrowing struggle and his own tormented efforts to make sense of an act that defies all understanding This book is that e mail diary detailed intimate inspiring messages that end always as if a prayer for a happy

outcome LOVE GREG LAUREN We share this story day by astonishing day Greg writes of the intricate surgeries the painful therapies and the constant risk of infection Lauren endured Through his eyes we come to know the doctors nurses aides and therapists who cared for her around the clock with untiring devotion and sensitivity We also come to know the families with whom he shared wrenching hospital vigils for their own loved ones who were waging a battle that some would not win It was most of all Greg s belief that Lauren would win her brave fight for life that kept him writing Through his eyes we see what she could not their toddler s first steps the video of his first birthday party the compassionate messages of hope from around the world And we are there as Lauren gradually emerges into awareness signaling first with her eyes then with smiles her understanding of the words Greg speaks to her the poems he recites the songs he plays Most miraculously we are there when Lauren walks out of the Burn Center The world knows all too well both the nightmare and the heroism that have marked this terrible time in history But no account of September 11 matches the astonishing personal story Greg Manning records in these spontaneous and heartfelt pages It is a story that invites us to share e mail after e mail the perilous course of a mortally wounded woman who by sheer will and courage emerges from near death because she is determined to live for her husband and her son And it is equally the story of a man who as he stays by her side through these long weeks and months discovers anew the depth of his love and admiration for the woman who becomes his hero
