sap huge amounts of battery and CPU power when running in the background even That s not to say it s a bad app only that it s all the more impressive it was able to do as well as it did Facebook Tried to Buy Snapchat When it was enjoying its first major surge in popularity Snapchat was offered a purchase bid from Facebook worth 3 billion That s a huge vote of confidence from the biggest social network on the planet and Snapchat turned it down Here s Why You Need To Take A Close Look At Snapchat Although often overlooked Snapchat is one of the most powerful new social networks for driving traffic online Snapchatis all about socialization and a great way to interact with your brand Snapchat was recently offered 3 Billion by Facebook and they turned it down this makes it clear that Snapchat is sure that it s only getting bigger and better Engagement on Snapchat is MASSIVE and growing because all communication is focused on image and video sharing your audience is very attentive and interested in anything you put in front of them Snapchat is adding 200 million new active users every single month
