[How To Study For Long Hours](#) Salim Khan Anmol,2020-01-15 How To Study For Long Hours

First Class Tips start small and aim to study with concentration Once you concentrate on your subjects extending your studying hours feels like a difficult task Sounds confusing To help you find an accurate solution for your doubts like how many hours a day should I study Or how to stay motivated during exams below are a few methods to help you enhance your concentration during your studying hours for optimal outcomes Don t do all nighters you will regret it You may also think that by staying up all night working you re keeping on track with your studies But doing all nighters and functioning with a lack of sleep can end up having a serious impact on your health and in turn impede your work A good night s sleep is important to help stay focused and learn efficiently Sleep helps consolidate memory which is essential when studying and converting short term memory to long term So swap the extra cups of coffee or cans of Red Bull for your bed and be sure to get the necessary number of hours sleep you need every night And don t forget if you have got work to do you don t have to completely lock yourself away from the world and stay in your room At most of our student accommodation we have dedicated quiet study areas or rooms for you to get your head down and focus on your work Our comfy common areas also provide the perfect place to get together with others if you re working on a group project or assignment To find out more about our student accommodation and living with us here at Host contact us or take a look at our locations
