## **Remote Jobs Anxiety Relief This Week:**

The Case for Degrowth Giorgos Kallis, Susan Paulson, Giacomo D'Alisa, Federico Demaria, 2020-09-29 The relentless pursuit of economic growth is the defining characteristic of contemporary societies Yet it benefits few and demands monstrous social and ecological sacrifice Is there a viable alternative How can we halt the endless quest to grow global production and consumption and instead secure socio ecological conditions that support lives worth living for all In this compelling book leading experts Giorgos Kallis Susan Paulson Giacomo D Alisa and Federico Demaria make the case for degrowth living well with less by living differently prioritizing wellbeing equity and sustainability Drawing on emerging initiatives and enduring traditions around the world they advance a radical degrowth vision and outline policies to shape work and care income and investment that avoid exploitative and unsustainable practices Degrowth they argue can be achieved through transformative strategies that allow societies to slow down by design not disaster Essential reading for all concerned citizens policy makers and students this book will be an important contribution to one of the thorniest and most pressing debates of our era

Four Days a Week Juliet Schor, 2025-06-03 Bestselling author leading sociologist and economist Juliet Schor makes the case for a four day work week persuasively showing how this model can address major challenges such as burnout AI and the climate crisis and how employees companies and governments can work together to make it a reality Around the world long hours and intense pressure are taking their toll When the pandemic hit in 2020 work induced stress and burnout skyrocketed Many reached a breaking point Now three quarters of the world s employees are disengaged and struggling including in the US and Canada where half are experiencing high levels of daily stress Our current work culture the five day forty hours a week model which has gone unchanged for nearly a century is failing But a remedial countertrend has emerged the four day work week Kickstarter Bolt Basecamp ThredUp and hundreds of other employers have eliminated the fifth day of work successfully figuring out how to maintain productivity while seeing remarkable improvements in employee well being Hiring is easier and fewer people are quitting These results are global Working a four day week people feel energized capable and more optimistic about their lives and their jobs Four Days a Week is the first large scale study of this trend Juliet Schor an expert who has researched and written about work for more than four decades beginning with her New York Times bestseller The Overworked American in 1992 shares her pioneering analysis of the benefits of a shorter work week how companies can achieve them why the concept has taken so long to emerge and gain acceptance and why doing so will help a company s employees and its bottom line The book is a blueprint for implementing a change that once seemed radical but is now within reach
