**Fitness Influencers. Impact on Purchase Intentions and Attitudes of Instagram Users** Ben Schiefer, 2023-03-27 Master's Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 3 Berlin School of Economics and Law language English abstract This master thesis empirically assesses the impact of the fit between digital fitness influencers and promoted brands on attitudes and purchase intentions of Instagram users The study identifies attitudes toward source both source credibility and source trustworthiness attitudes towards ads and attitudes towards brands as important constructs to measure the advertising impact on attitudes Based on a review of the existing literature regarding digital influencers and the concept fit an experiment with two conditions was conducted via independent online surveys They were carried out to members of online fitness forums and communities and fitness groups on social network sites Data collected from 109 respondents in survey A and 110 in survey B was analyzed and tested using unpaired 2 sided tests The empirical study reveals the relevance of influencer brand fit The results confirm that the impact on all tested constructs is significantly more positive for the test group exposed to the survey including a post of a digital fitness influencer with a high perceived influencer brand The findings require further confirmation in other settings and industry sectors before they can be generalized but offer helpful new insights to better allocate efforts and resources to effectively manage the collaboration with digital influencers A high influencer brand fit serves as a key driver for advertising effectiveness of influencer marketing

**No Filter** Sarah Frier, 2020-04-14 Winner of the 2020 Financial Times and McKinsey Business Book of the Year Award Named Best Book of the Year by Fortune The Financial Times The Economist Inc Magazine and NPR In this sequel to The Social Network The New York Times award winning reporter Sarah Frier reveals the never before told story of how Instagram became the most culturally defining app of the decade The most enrapturing book about Silicon Valley drama since Hatching Twitter Fortune No Filter pairs phenomenal in depth reporting with explosive storytelling that gets to the heart of how Instagram has shaped our lives whether you use the app or not The New York Times In 2010 Kevin Systrom and Mike Krieger released a photo sharing app called Instagram with one simple but irresistible feature it would make anything you captured look more beautiful The cofounders cultivated a community of photographers

and artisans around the app and it quickly went mainstream In less than two years it caught Facebook's attention Mark Zuckerberg bought the company for a historic 1 billion when Instagram had only thirteen employees That might have been the end of a classic success story But the cofounders stayed on trying to maintain Instagram's beauty brand and cachet considering their app a separate company within the social networking giant They urged their employees to make changes only when necessary resisting Facebook's grow at all costs philosophy in favor of a strategy that highlighted creativity and celebrity Just as Instagram was about to reach a billion users Facebook's CEO Mark Zuckerberg once supportive of the founders autonomy began to feel threatened by Instagram's success Frier draws on unprecedented access from the founders of Instagram as well as employees executives and competitors Anna Wintour of Vogue Kris Jenner of the Kardashian Jenner empire and a plethora of influencers worldwide to show how Instagram has fundamentally changed the way we show eat travel and communicate all while fighting to preserve the values which contributed to the company's success Deeply reported and beautifully written Nick Bilton Vanity Fair No Filter examines how Instagram's dominance acts as a lens into our society today highlighting our fraught relationship with technology our desire for perfection and the battle within tech for its most valuable commodity our attention

*Instagram Power: Build Your Brand and Reach More Customers with the Power of Pictures* Jason Miles, 2013-10-08 Instagram is the hottest social media site two years after its launch the number of its daily mobile users surpassed that of Twitter This book provides what you need to grab customers on the world's popular photo sharing site

**Authors, Users, and Pirates** James Meese, 2018-02-16 An examination of subjectivity in copyright law analyzing authors users and pirates through a relational framework In current debates over copyright law the author the user and the pirate are almost always invoked Some in the creative industries call for more legal protection for authors activists and academics promote user rights and user generated content and online pirates openly challenge the strict enforcement of copyright law In this book James Meese offers a new way to think about these three central subjects of copyright law proposing a relational framework that encompasses all three Meese views authors users and pirates as interconnected subjects analyzing them as a relational triad He argues that addressing the relationships among the three subjects will shed light on how the key conceptual underpinnings of copyright law are justified in practice Meese presents a series of historical and contemporary examples from nineteenth century cases of book abridgement to recent controversies over the reuse of Instagram photos He not only considers the author user and pirate in terms of copyright law but also explores the experiential element of subjectivity how people understand and construct their own subjectivity in relation to these three subject positions Meese maps the emergence of the author user and pirate over the first two centuries of copyright's existence describes how regulation and technological limitations turned people from creators to consumers considers relational authorship explores practices in sampling music licensing and contemporary art examines provisions in copyright law for user generated content and reimagines the pirate as an innovator
