Opm Workforce Planning Guide:

Public Personnel Management Norma M. Riccucci, 2023-08-28 Public Personnel Management has served as an essential concise reader for public personnel and human resource management courses in the fields of public administration political science and public policy for more than 30 years Since the first edition published in 1991 the book has provided professors and students alike with an in depth look at cutting edge developments beyond standard textbook coverage to cultivate a broad understanding of the key management and policy issues facing public and nonprofit HRM today Original chapters are written expressly for the text by leading public administration scholars each focusing on specific and sometimes controversial concerns for public personnel management such as social equity labor relations public employee rights and the operation of nonprofits Now in an extensively revised seventh edition Public Personnel Management presents new original chapters to examine developments of interest to researchers and practitioners alike including new ways of working NWW remote work the effects of the COVID 19 pandemic on public service workforces work life balance patterns of discrimination and employees perceptions of fairness affirmative action generational differences in the workforce and as the field of public personnel management becomes more internationalized chapters addressing human resource management across Europe and a chapter on NWW practices in Switzerland These together with other chapters ensure that Public Personnel Management will remain a field defining book for the next 30 years

Civilian Workforce Planning in the Department of Defense Susan M. Gates, Christine Eibner, Edward Geoffrey Keating, 2006 In response to more than a decade of downsizing and restructuring the Department of Defense DoD is engaged in a human resources strategic planning effort to address resulting imbalances in both skills and experience levels in many parts of DoD The current human resources strategic plan addresses the need to provide management systems and tools to support total workforce planning and informed decisionmaking U S Department of Defense 2003b Attention to Department wide civilian workforce planning stems in part from the President s Management Agenda of 2001 and the continuing assessments of Department level progress on workforce planning DoD civilian workforce planning efforts are complicated and at the same time made more important by the implementation of the National Security Personnel System NSPS slated to begin in 2006 The NSPS will replace the traditional federal civil service personnel management system within DoD providing DoD managers with more management flexibility
