## VISUALIZING

As you read, pause to visualize a concept, character or scene. This can be done through mental imagery and talking. "What do you picture the dog to look like? Why? What does the room look like?" Or, take a moment to draw a picture.

## SELF-MONITORING

Teach your child to pause and monitor their reading. Does what I just read make sense? This ability to self-check and self-monitor their reading is so essential!

## MAKING CONNECTIONS

What connections can be made with their own experiences? How can they relate what they are reading to their own background knowledge?

## SUMMARIZING/RETELLING

Ask your child to retell in his or her own words what just happened.

## ASKING QUESTIONS AND MAKING PREDICTIONS

What do you wonder about? What do you want to know more about? What do you need clarification on? And, what predictions can you make?
