Women Navigating Adversity Sue Mackey, 2007. Women are no strangers to confronting challenges and overcoming obstacles in their lives. From climbing out of acute poverty to raising children alone with a husband off at war to recovering from a failed business to escaping from under the thumb of an abusive relationship. *Women Navigating Adversity* by Sue Mackey explores the myriad of ways in which women find the means to conquer situations that threaten to destroy their lives.

Tales of People Who Get It Avil Beckford, 2007-03-03. *Tales of People Who Get It* is based on the ideas, actions, and beliefs that were uncovered in interviews of 34 highly successful individuals from Canada, the United States, Sweden, Switzerland, Jamaica, and South Africa. The responses to the interviews form each individual story. And the effect is startling when you've finished reading the stories; you get the sense that every thing is connected, that we're all connected. There is also a sense of comfort in knowing that any of the stories could be your story because while these are successful people who get it, they are also ordinary people with the same challenges and struggles we all face. It's a chance to learn from the way they resolve these struggles and apply the lessons when those same challenges arise in your life.

Create a Magnificent Now! Alex Ledgister, PhD, 2014-09-30. *Create a Magnificent NOW* is the first book about the law of attraction that presents a failsafe solution for achieving optimal health, wealth, and self-fulfillment. Coach Alex reveals what he believes is the real secret behind powerful manifestation. By embracing this secret and making it the cornerstone of the LOA process, Coach Alex believes that anyone can manifest whatever one desires as long as the end result will never harm anyone else. This book removes the fairy dust from the LOA and its practices of meditation, visualization, and manifestation. Coach Alex points out that magic is nothing more than physical laws scientifically explained. By citing numerous laboratory studies based on the work of some of the world's most trusted scientists, he provides measurable validation of the efficacy of the LOA through the new science of neuroplasticity. These studies also explain exactly why the LOA works. For the first time in the history of modern man, through actual demonstrations of the law of attraction, neuroplasticity builds a bridge between science and metaphysics. Skeptics who scorned the law of attraction as a New Age fad will think twice after studying the findings of these prestigious scientists. These studies confirm what ancient mystics and spiritual teachers have always known unquestionably: the LOA has the ability to improve the quality of any person's life. *Create a Magnificent NOW* is a book about the law of attraction written by a professional life coach who personally used this universal law to jumpstart his own life in the process of discovering a secret failsafe method for successful manifestation.
