EBOOK: Understanding Business, Global Edition William Nickels, Jim McHugh, Susan McHugh, 2012-05-16

Understanding Business Global Edition by Nickels McHugh and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons 1 The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience 2 we listen to our customers and 3 the quality of our supplements package We consistently look to the experts full time faculty members adjunct instructors and of course students to drive the decisions we make about the text itself and the ancillary package Through focus groups symposia as well as extensive reviewing of both text and key ancillaries we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement As teachers of the course and users of their own materials the author team is dedicated to the principles of excellence in business education From providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues to creating groundbreaking and market defining ancillary items for professors and students alike Understanding Business leads the way

Business Law, Google eBook Nickolas James, 2012-02-02 Business Law 2e is the new edition of a textbook that has been positively launched into the higher education market The text presents business law principles in a clear and easy to understand style The objective of a business law subject is to ensure that students acquire enough knowledge of the law of business so they can recognise and solve simple legal problems organise their affairs in order to avoid more complex or serious legal problems and appreciate the connection of legal principles within a range of commercial environments As the majority of students are required to study business law as part of either a commerce or business degree this textbook follows a functional approach to the study of business law rather than doctrinal so the principles of business law are contextualised within a business environment Business students need to know more than what the law is they need to know where to find it how to read it how to use it and how it impacts on all facets of business Students who use this textbook will develop a greater awareness of the law and its broad application to business and commercial environments
