The Labour Monthly Rajani Palme Dutt, 1922 Black Friday and Other Stories David Goodis, 2006 It's winter in Philadelphia. January cold coming in off two rivers. Hart is broke, freezing, looking for a place to lay low from the cops. If he can't find somewhere soon he might do something rash like steal an overcoat and accept a wallet containing 11,000 from a man dying from gunshot wounds in the street. Whoever killed him might have a bed though even if that means hanging out with a bunch of thieves and drifters while the heat blows over. Lucky for Hart he's handy with his fists. And if he can use his looks and smarts to get in with the gang maybe he can ride this out and score big on his own. Originally published in 1954, *Black Friday* is one of David Goodis's leanest, meanest, melancholy thrillers. In the character of Hart, it features one of his classic tortured romantic heroes, a man who becomes mired in circumstances from which there is no escape. In this edition, *Black Friday* is combined short stories unpublished since they were first written for pulp magazines in America over 50 years ago. *Black Friday* S. Hussain Zaidi Takes Us Into The Heart Of The Conspiracy And The Massive Investigation That Ensued. The Product Of Four Years Of Meticulous Research, The Book Gives Chilling Insights Into The Criminal Mind As Revealed In Zaidi's Interviews With The Close Associates Of Some Of India's Most Notorious Names: Dawood Ibrahim And Tiger Memon Among Others. And Reveals The True Dimensions Of The Macabre Plan That Spanned Several Countries And Had Been Months In The Making.
