Top Tier Evidence Initiative** Coalition for Evidence-based Policy,2012 U S social programs set up to address important problems often fall short by funding specific models strategies interventions that are not effective When evaluated in scientifically rigorous studies social interventions in K 12 education job training crime prevention and other areas are frequently found ineffective or marginally effective Interventions that produce sizable sustained effects on important life outcomes tend to be the exception The Top Tier Evidence Initiative seeks to assist policy officials in identifying interventions meeting the Congressional Top Tier evidence standard defined in recent legislative provisions as well designed randomized controlled trials showing sizeable sustained effects on important outcomes This evidence summary details and evaluates an intervention which provided streamlined assistance in completing the Free Application for Federal Student Aid or FAFSA which in 2008 was eight pages in length with over 100 questions and included three additional worksheets with nearly 40 questions Key elements of the assistance were 1 specially designed software used the family s tax return data to answer most items on the FAFSA 2 the H 3 the tax professional provided immediate estimates of the amount of financial aid the targeted family member was eligible for and the net tuition cost of four nearby public colleges 4 if all FAFSA information was complete the tax professional offered to submit the FAFSA electronically to the U S Department of Education and 5 if not all information was complete a call center phoned the family after the interview to collect answers to the remaining questions and then facilitated submission of the FAFSA to the Department of Education This intervention increased federal financial aid payments by an average of 375 per participant The Panel finds that this intervention meets the Congressional Top Tier evidence standard Intervention benefits and costs are discussed [Student Advantage Guide to the Best 310 Colleges 1997](#) Tom Meltzer,John Katzman,Edward T. Custard,1996-07-30 When it first appeared USA Today called this book the guide that doesn t follow a textbook approach to college life The Best 310 Colleges is based on The Princeton Review s student surveys the largest campus surveys in the nation More than 59 000 students answer questions on everything from academics to campus life Topics include the quality of teaching dorms and dining hall fare campus politics left or right and conservative or liberal whether the student body is diverse or homogeneous tolerant or intolerant of race class relations and of gay students and high or low in its use of beer

liquor and marijuana In fact this book has caused schools across the country to change their food campuses and drinking policies Also included is information concerning admission and financial aid policies student body demographics average recentered SAT scores and What s Hot What s Not as well as the Counselor O Matic an easy to use if highly unscientific guide to your chances of getting into each of the top 310 colleges by calculating your desirability rating and comparing it to each school s selectivity rating Here s a sampling of what students have to say This school is filled with wealthy well dressed egomaniacs who are about as socially conscious as Marie Antoinette I m premed and there s no place I would rather be The academics are a killer no joke but for those few who survive the world is their oyster If you re not Caucasian the adjustment here is tremendous Since this is a Jesuit institution not all viewpoints get expressed particularly liberal ones about gays and premarital sex You have to be smart about where you go at night The food here is really bad it s either bland or sickening You re lucky if they don t screw up the bread Socially the surrounding area is so dead that the Denny s closes at night Girls over 5 8 watch out for some reason guys here have munchkin blood in them or something
