understood Consequently we should accept its contingency instead of denying it by trying to find an explanation to everything The stress ratio between contingency and necessity is also the theme of Iris Murdoch s first novel *Under the Net* Throughout the novel the protagonist Jake Donaghue searches for his own identity and for a master theory which is able to explain the world of Porter Leitmotiv 379 In the end he realizes that he has to change his attitude towards contingency In the following I will try to find reasons for the change of Jake s attitude and I will describe the consequences of this change In order to be able to do this I will first provide a definition of the term contingency and place it in the context of philosophy in chapter 2 Afterwards I will explain some essential aspects of contingency in the novel in chapter 3 In chapter 4 I will have a look at Jake s changing attitude towards contingency in the course of the novel in order to finally be able to find reasons for the change and to describe its consequences in chapter 5 and 6 Iris Murdoch : Under the Net Yolande Cantù,1976
