*The Digital Decades* Subimal Bhattacharjee, 2026-02-16 A comprehensive chronicle of India's remarkable digital transformation from the early 1990s to the present day. As India emerges as a global digital powerhouse, this book captures the extraordinary story of how the world's largest democracy has evolved with the technology and harnessed internet technology to revolutionize governance, empower citizens, and accelerate national development. Through 19 meticulously researched chapters and a forward-looking conclusion, the manuscript weaves together the technological, political, and social threads that have shaped India's digital destiny. The book traces India's internet journey through distinct epochs: from the tentative first connections in August 1995 through the liberalization era, the dot-com boom and bust, the mobile revolution, the digital governance initiatives under successive governments, and culminating in today's Digital India vision. Each chapter in this volume combines rigorous analysis with compelling anecdotes that bring to life the human stories behind India's digital revolution.
