Rhetoric and Experience Architecture Liza Potts, Michael J. Salvo, 2017-08-04

Organizations value insights from reflexive iterative processes of designing interactive environments that reflect user experience. I really like this definition of experience architecture which requires that we understand ecosystems of activity rather than simply considering single task scenarios. Donald Norman *The Design of Everyday Things*

Daily Planning for Today's Classroom Kay M. Price, Karna L. Nelson, 1999. This book has practical lessons and activity plans for pre-service and in-service teachers. Its practical materials integrate all the theories students have already learned through their other coursework and pulls it together in a way that is useful in the classroom setting. This book equips the student with materials organization and plans to walk into a classroom prepared.
