Handbook of Structured Financial Products Frank J. Fabozzi, 1998-09-15 Finance professionals will welcome Frank Fabozzi's *Handbook of Structured Finance Products*. This one-of-a-kind guide helps you stay on top of continuing developments in the U.S. structured finance product field as well as developments concerning these products in overseas markets. Here Fabozzi assembles a roster of highly regarded professionals who provide their findings and opinions on a multitude of investment subjects.

Bond Markets, Analysis, and Strategies, tenth edition Frank J. Fabozzi, Francesco A. Fabozzi, 2021-12-07 The updated edition of a widely used textbook that covers fundamental features of bonds, analytical techniques, and portfolio strategy. This new edition of a widely used textbook covers types of bonds and their key features, analytical techniques for valuing bonds, and quantifying their exposure to changes in interest rates and portfolio strategies for achieving a client's objectives. It includes real-world examples and practical applications of principles as provided by third-party commercial vendors. This tenth edition has been substantially updated with two new chapters covering the theory and history of interest rates and the issues associated with bond trading. Although all chapters have been updated, particularly those covering structured products, the chapters on international bonds and managing a corporate bond portfolio have been completely revised. The book covers the basic analytical framework necessary to understand the pricing of bonds and their investment characteristics, sectors of the debt market including Treasury securities, corporate bonds, municipal bonds, and structured products, residential and commercial mortgage-backed securities, and asset-backed securities, collective investment vehicles, methodologies for valuing bonds and derivatives, corporate bond credit risk, portfolio management, including the fundamental and quantitative approaches and instruments that can be used to control portfolio risk.
