What makes Netflix's Bodyguard so successful? An intimate viewing

Mela Z., 2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life

Tickled Duff McDonald,2021-10-19 A bestselling journalist sets out to explore our addiction to the quantification of everything and ends up confronting his own addiction to certainty In 2020 nothing went according to plan Duff McDonald had intended to write a book about society's obsession with measurements data and predictions showing how it blunts individual happiness and decision making while fueling corporate capitalism But in the quiet of quarantine McDonald found himself reexamining the assumptions beneath his own life choices Drawing inspiration from an impressive range of sources from Borges to the Buddha to Bob Dylan to Harry Potter McDonald documents how he let go of his attachment to precision in favor of delving deeper into what it means to be present in his work his relationships and what he calls the science of experience He asks What should I have been doing I should have been focusing on things that I love not the things that anger or annoy me I should have been focusing on things that tickle me Part self help part memoir Tickled is a story of how to bring joy and love into your life right now McDonald acknowledges that tickle is a funny awkward word In one context it's as innocent as can be But it also runs deeper When something tickles you you are in the moment experiencing reality itself at
